廣瀨康一

仗助的同學，也具有操縱聲音的替身「ECHOES」。

吉良吉影

兇惡殺人魔王其替身叫「皇后殺手」。

東方仗助

杜王町的高一學生。是個直腸子的人，但只要被批評髮型，立刻怒髮衝冠要修理人。血緣上算是承太郎的「舅舅」。

空條承太郎

具有類似守護靈的超能力替身。在他打倒迪奧之後，成為有名的海洋冒險家。

★前情提要★

這是一段歷經一個世紀以上，有關迪奧與喬斯達家族深刻淵緣的故事：現代的日本——喬瑟夫·喬斯達的孫子空條承太郎（亦為喬喬）擁有號稱替身的超能力。為了拯救被替身所害的母親波莉，他必須要打倒始作俑者迪奧，於是喬喬與他的替身殺手，最後終於抵達埃及，也找到迪奧所在的館邸。在失去阿布德爾、伊奇和花京院三個同伴後，承太郎終於打倒迪奧，結束這場宿命的對決。

1999年，日本一個平凡的都市S市杜王町，發生了異變。因為引出迪奧能力的「箭」，又為杜王町增加了數位的「替身使者」。邪惡的殺人魔王吉良吉影，更是借著替身的力量，把胖重炸死了。另一方面，為了要和康一戀愛，山岸由花子膽叩醫學美容之門。結果醫學美容的負責人陸彩也是個替身使者……

ARE ROTTING AWAY!

That lipstick not only change the look of your face, but it also lock the luck on you.

because you have lost your fingerprints

without the lipstick cinderella can't lock the luck onto you.

my hand.

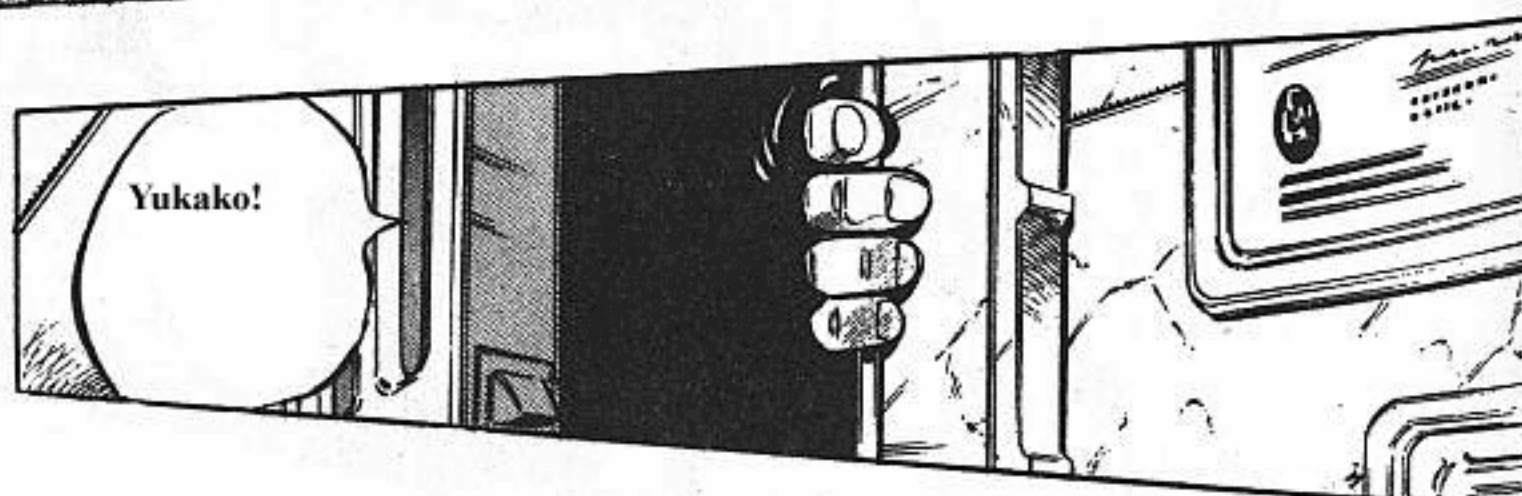

what's wrong with...

!?

啊!

啊 哇 啊啊

Isn't your office a female only place?

Dr. Tsuji

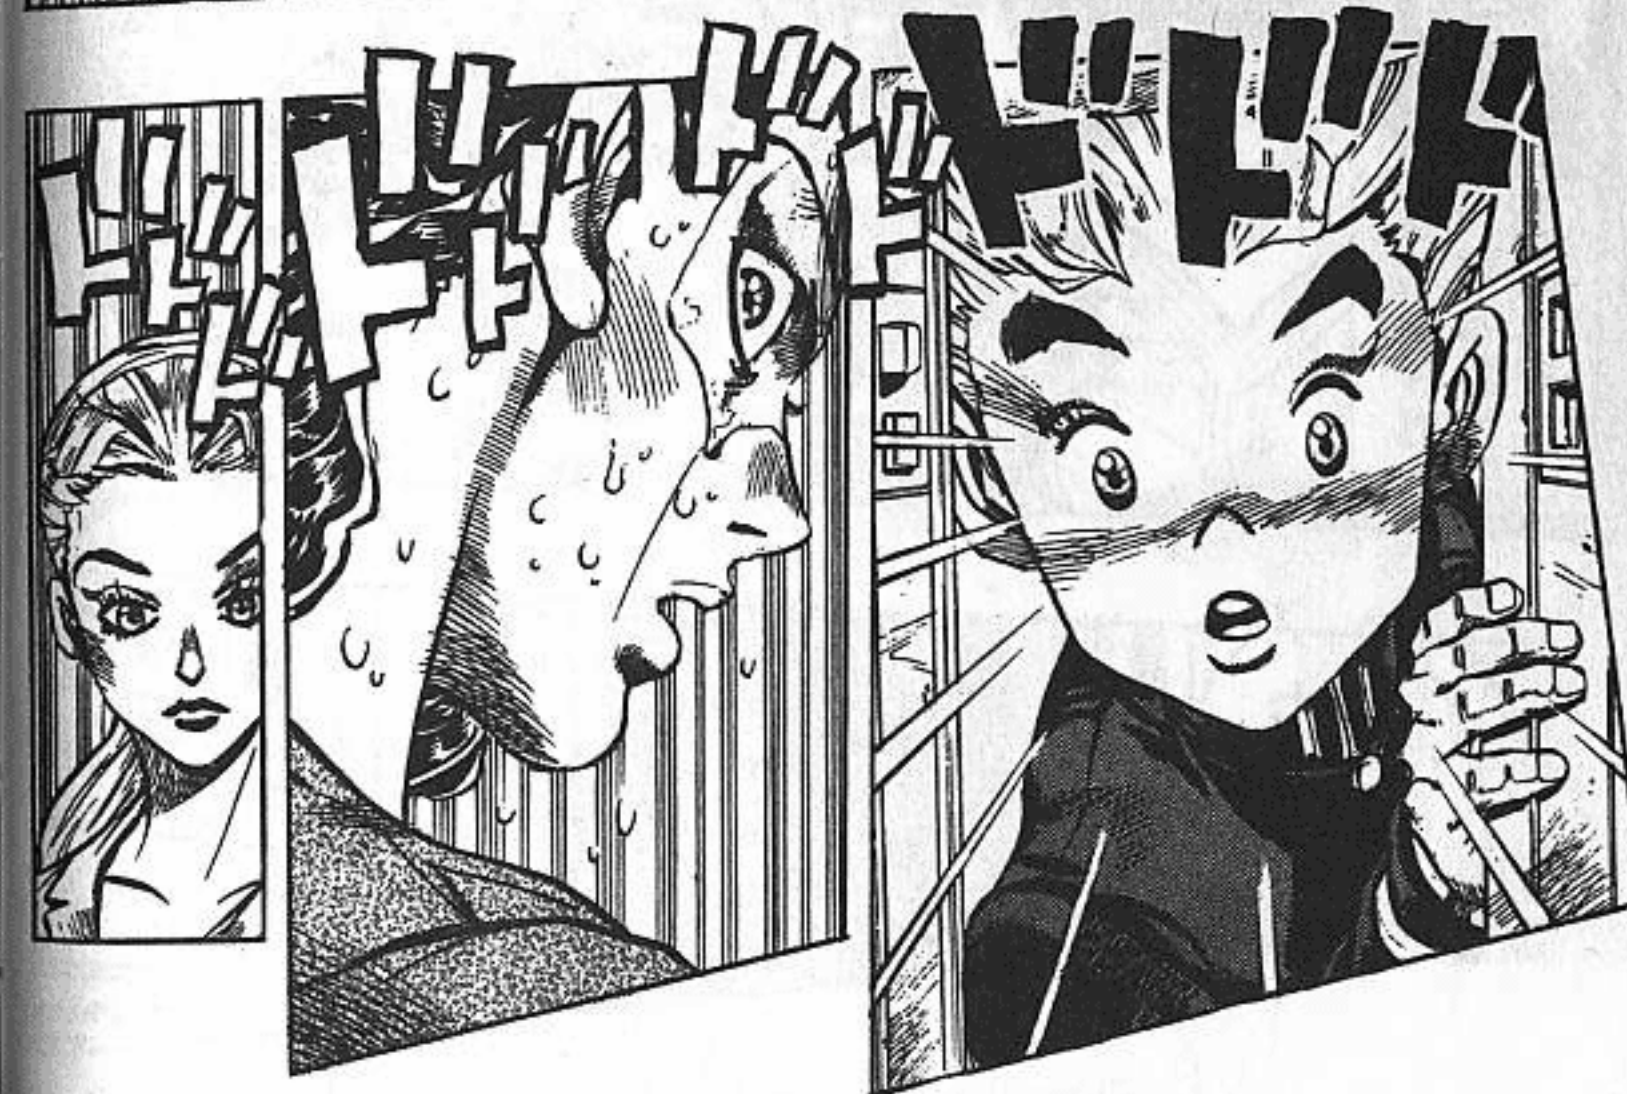

No!

I am not the one you are looking for!

NO MISTAKE!
YOU ARE
YUKAKO!

THIS IS
YOU!

YOU ARE SUCH
A ECCENTRIC
GIRL!

山岸由花子對 灰姑娘的憧憬 之其⑥

so eccentric
but I like
it.

I know you,
your
personality

I am gonna finish you!

don't give up so fast

Yukako

stand user?

she is also a

and her...

what did she do to you?

I kill you Aya!

I can't live like this!

Damn! letting Koichi see my ghost like face...

but for his boy's
persistence, I will
give you one last
chance as the
goddess in Cinderella.

Yukako, I told
you your face
will disappear
forever.

you can even
recognize
Yukako through
a different
face.

Even though
Yukako denied her
self but you still
followed her here.
looks like you have
truly seen through
her personality.

you are
Koichi
after all...

hmm...

just like trying
on the crystal
shoe in
Cinderella

TELL ME EARLIER
THEN THERE WON'T
BE SO MUCH TROUBLE.

OF
COURSE
I KNOW
MY OWN
FACE

ugly!

then it will not
be compatible
with you, you will
have a new face
which from my
point of view, has
to be called....

and your future
luck will follow
the face you are
carrying...

BUT, if you
choose
the wrong
face...

這些臉就是
他靠記憶所
做出來的。

You choose your
own face from
all of these faces.

If you choose
the right one,
I will remake
your old face
for you

Your face has gone
from this world, but
my stand remember
every face she has
worked on.

by last chance
I mean you
have to choose
from one of
these faces.

you can try that on and see...

really?

No mistake! I am sure this one is mine!

Should be this one!

哈

哈

哈

哈

哈

哈

哈

only if you can realize this, I will make your face for you...

Actually, none of these faces is yours.

So many that look just like mine.

I start to hesitate

Yukako

don't rush yourself, face in the mirror are flipped...

what's wrong?
go on

70%

I will let
Koichi
choose
for me!

I can't
do it.

I've decided

no

what
are
you
talking
about?
you don't
want your
face back?

嗯?

my eyes
should
be a little
bit higher...

this one
is not
mine...

no

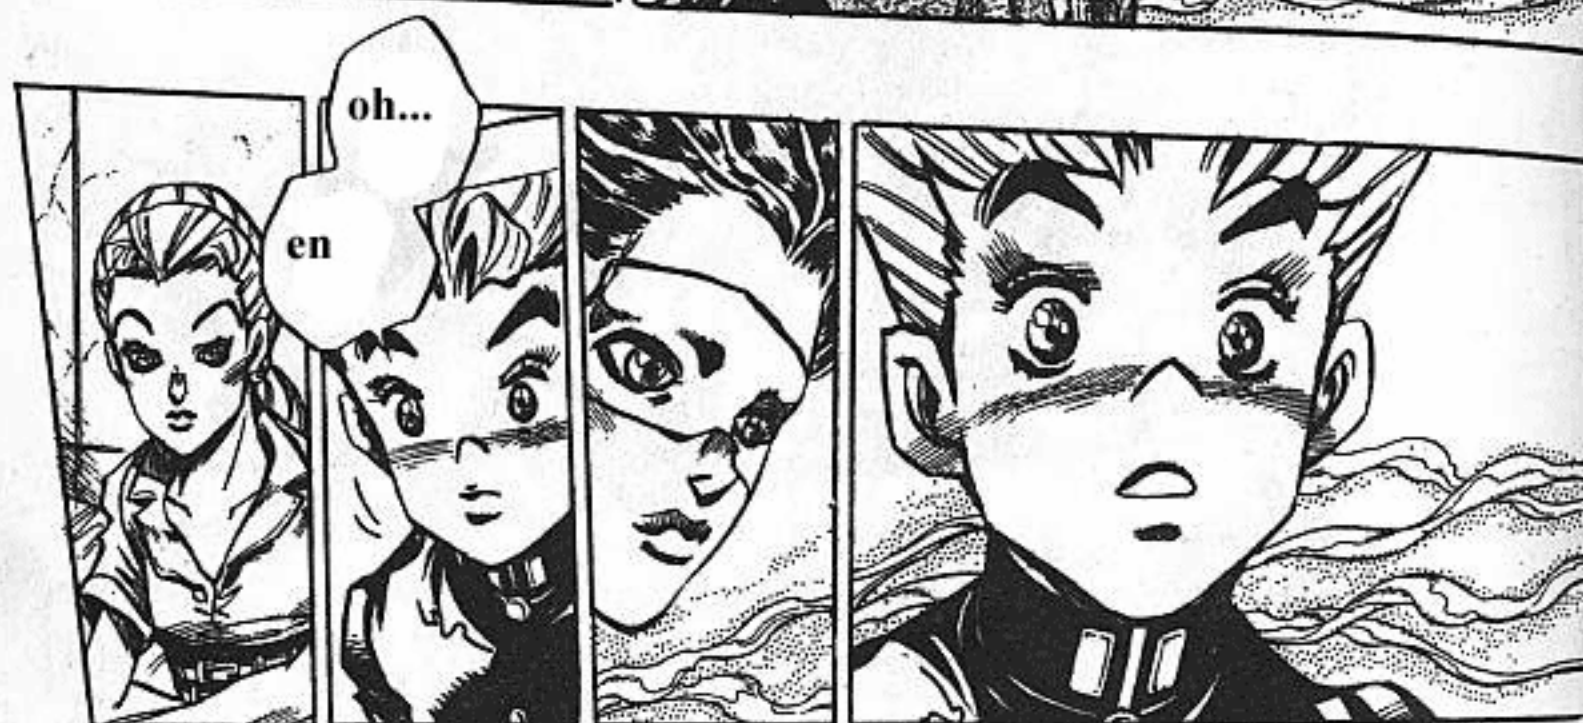

so many..

I started
to feel
dizzy

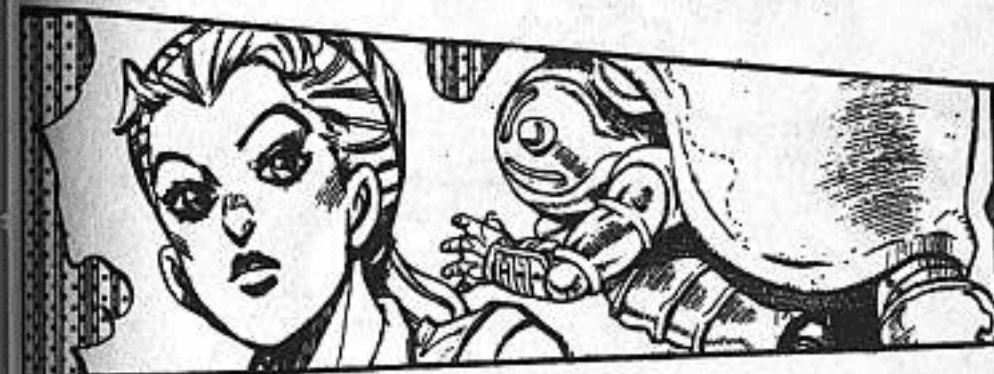

which one?

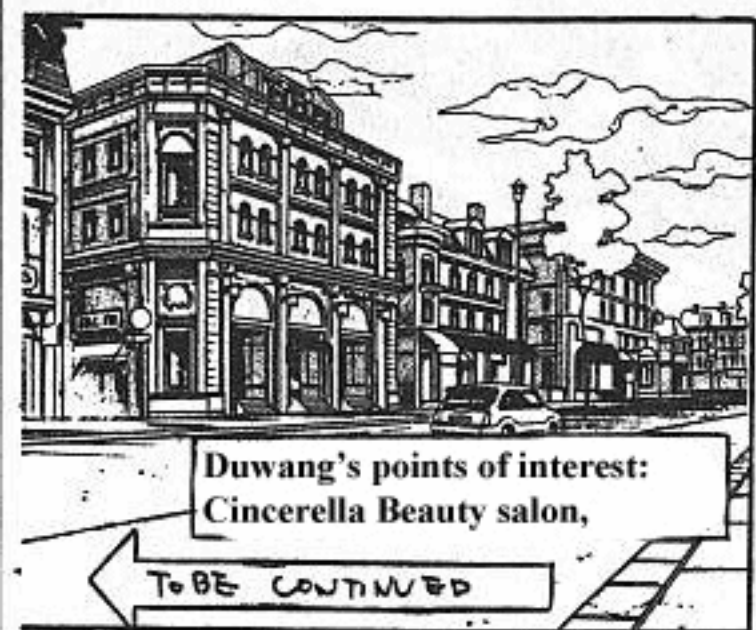

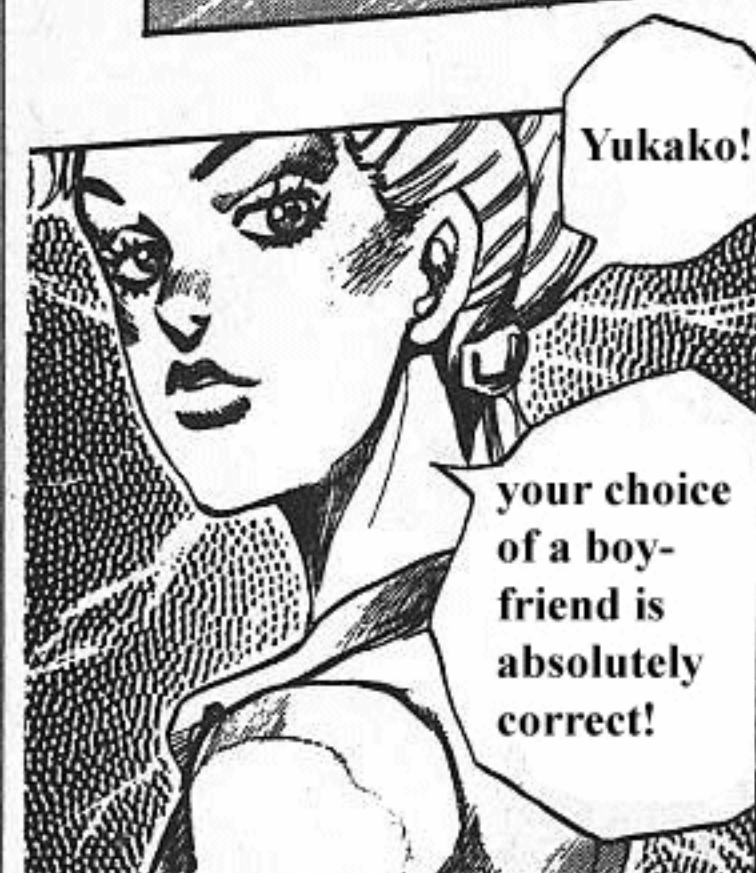

I am
not sure

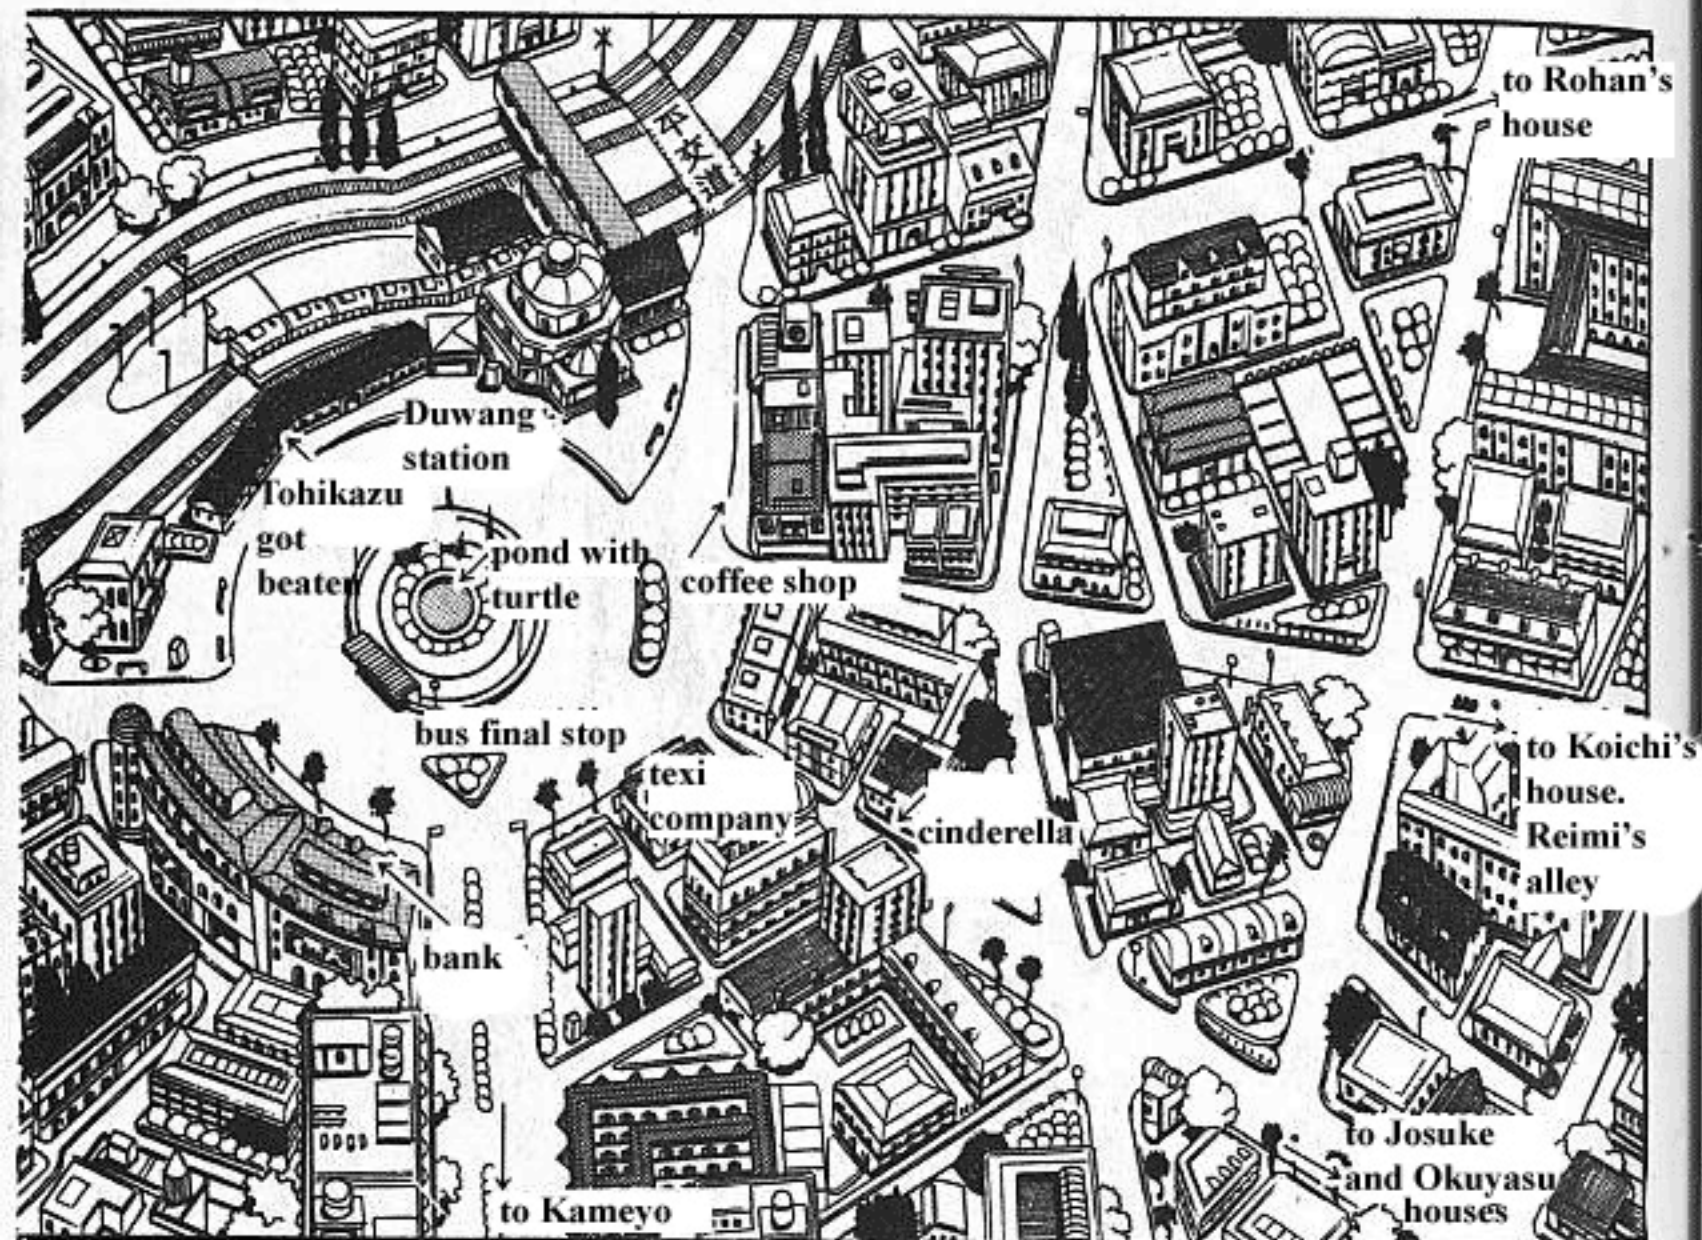

枯萎的心靈攻擊

ATTACK OF A WITHERED HEART. 1.

杜王町居民的特徵

杜王町的居民碰到危機的時候，30歲以上的人，通常都會抱持著如下的想法，

- 1「我素行良好，危機不會找上我！」
- 2「我是這麼的聰明，我有信心可以解決危機！他們並不是宗教迷。但是通常他們就會這麼說。」

到杜王町觀光的人，一年的平均人數是20萬人。

一般的商店，對觀光客的態度不怎麼親切的。他們都抱持著「你真的想買，我才賣給你的」的態度。這種態度當然很容易招來觀光客的報怨。但是只要和他們交上了朋友，他們全都會是你的好朋友。

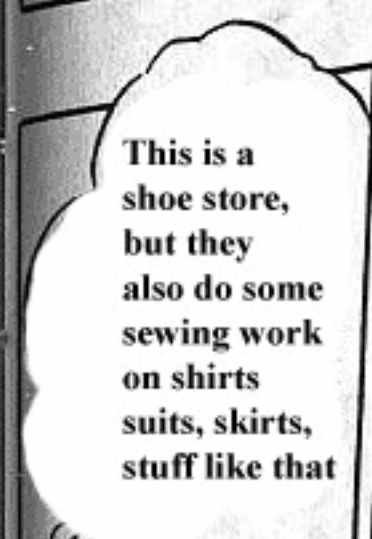

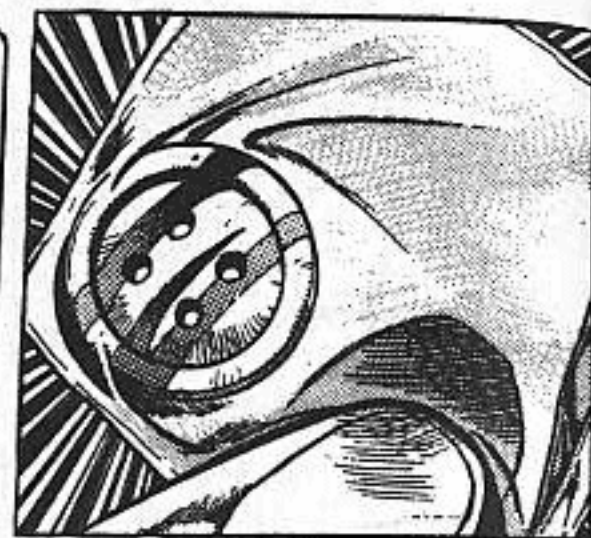

talking with this kind of person, so tiring!! Mr. Rohan's indulgence and Jotaro's silence. God, so troublesome

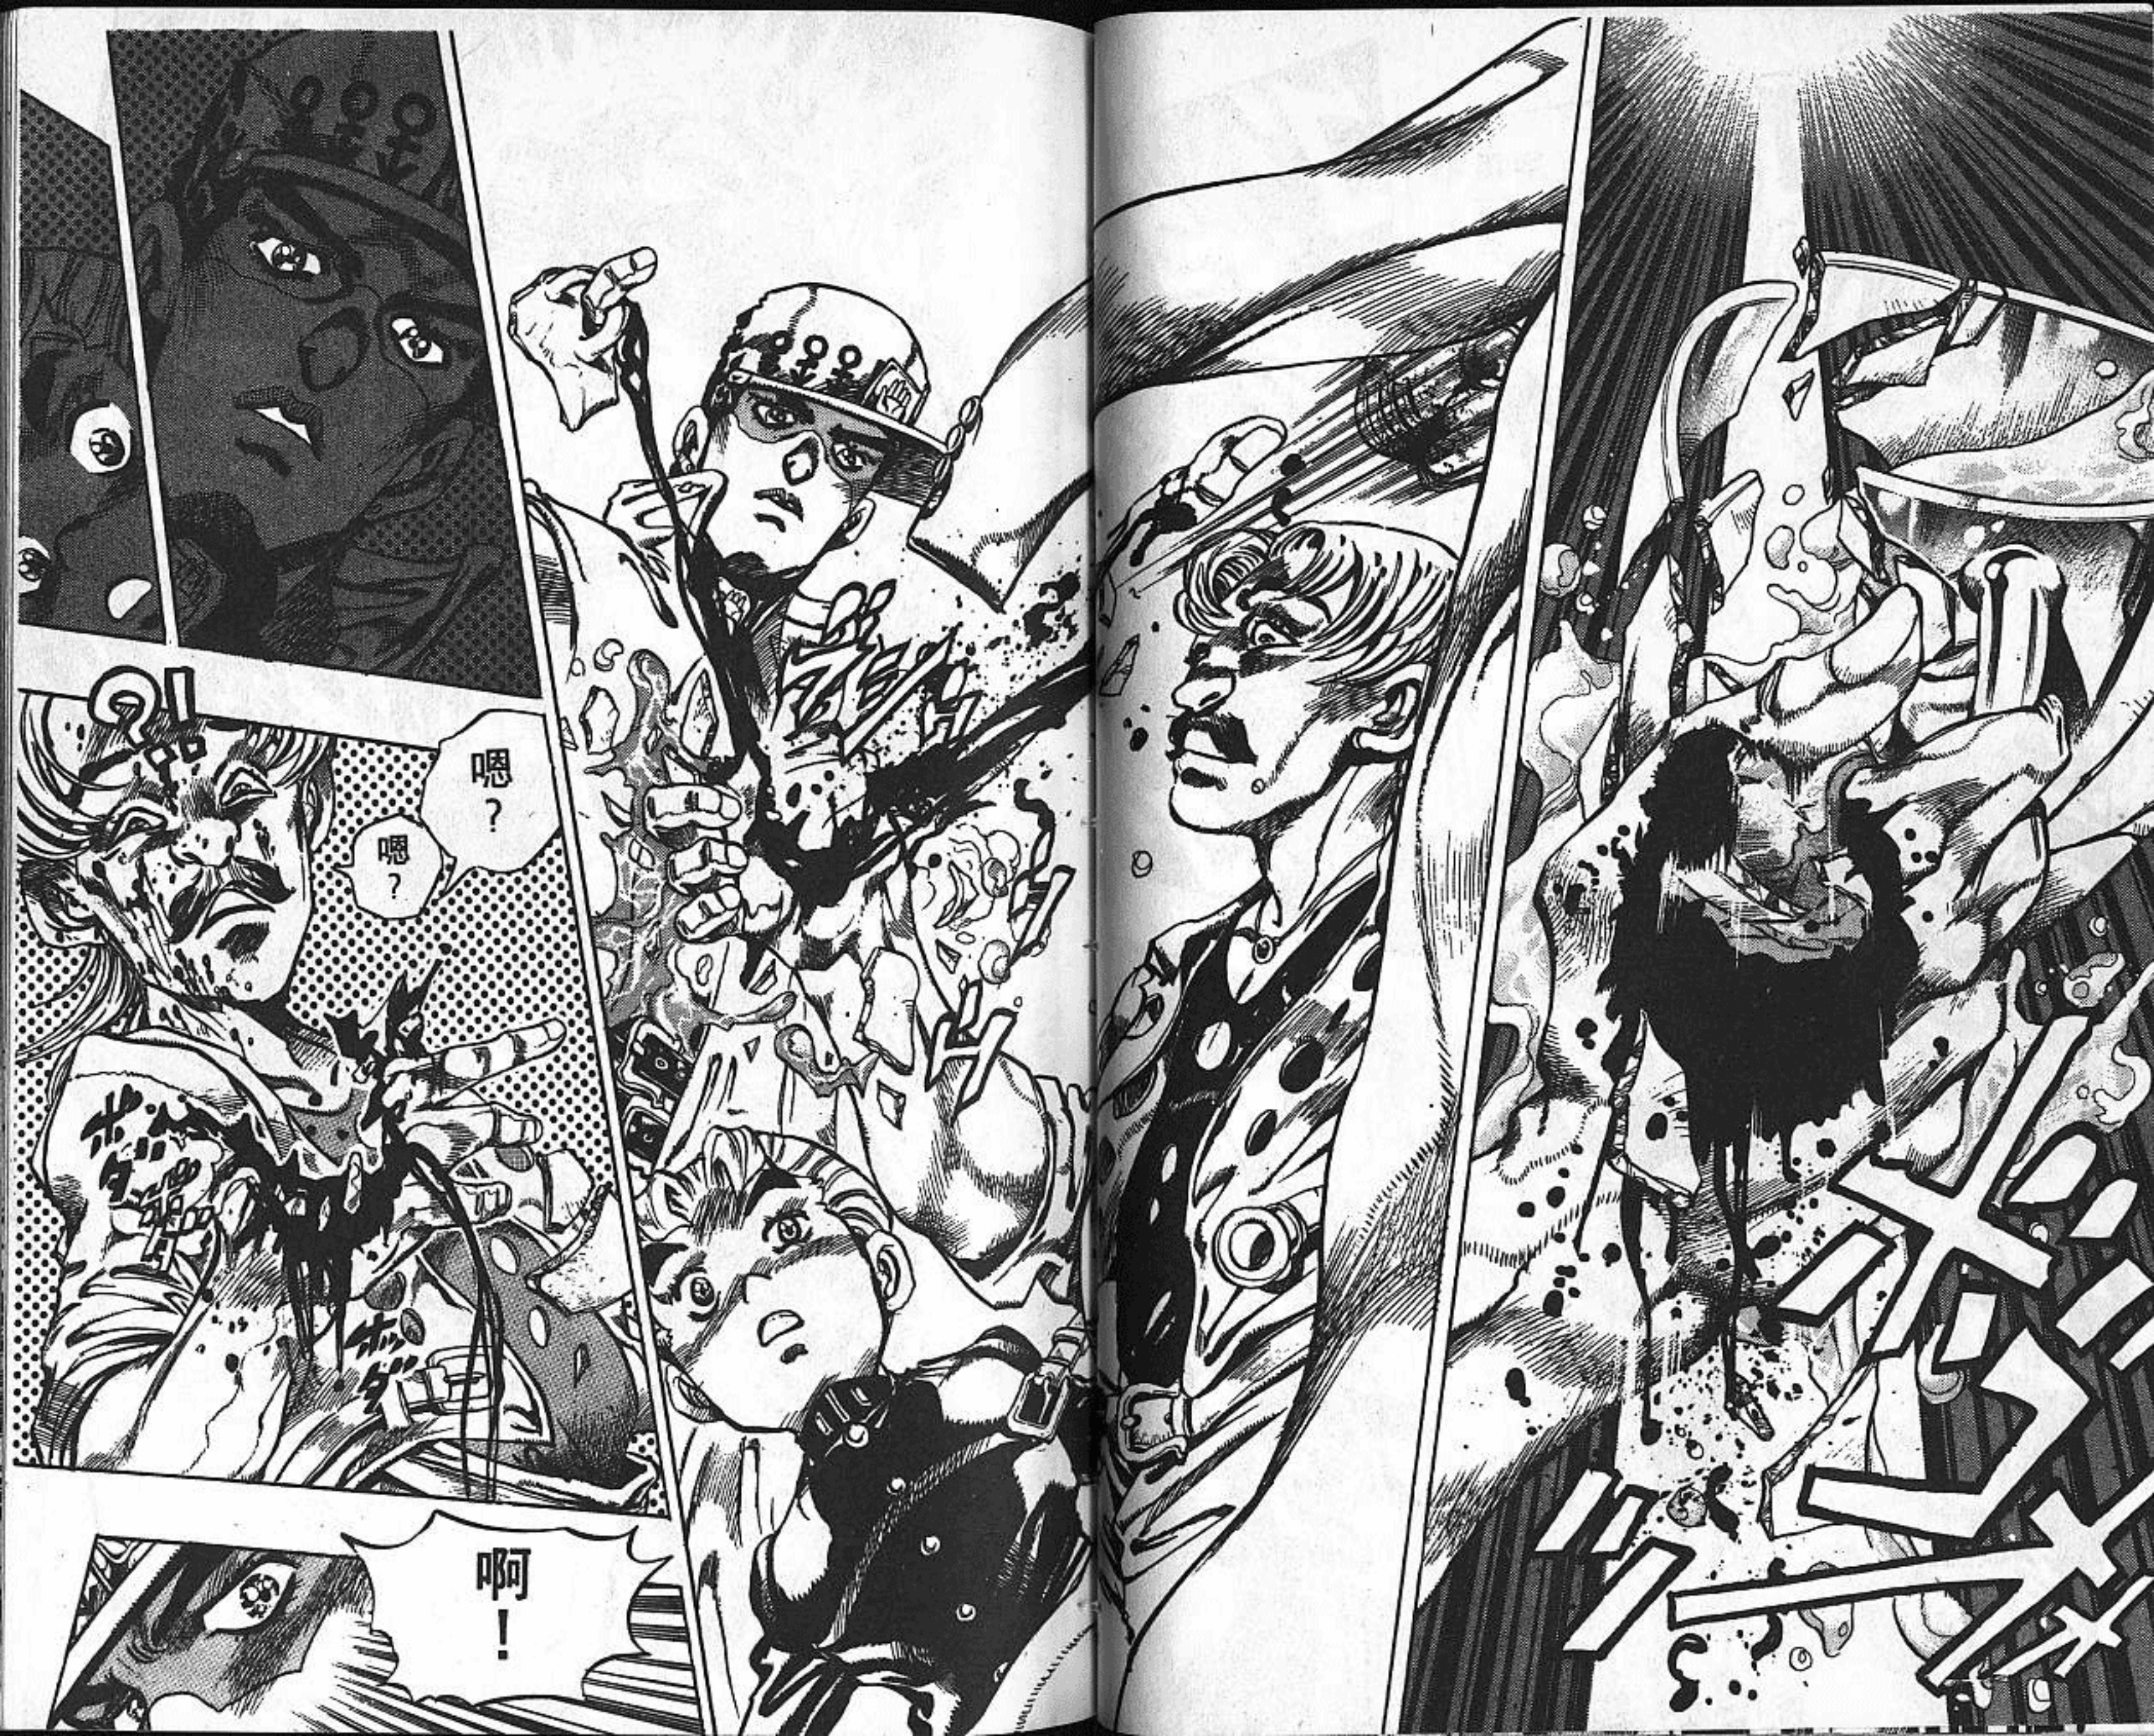

gotta find some to talk about!

Looks like
the killer is
coming back
to claim his
suit.

Don't know
if they've
seen my name

I thought that
button was just
lost somewhere,
didn't know someone
was investigating on
it...

I will make
you two
disappear!
use my No.2
bomb to
blow you guys
up just like
that fat kid.

Why so many
troubles these
few days...

the
bomb
is still
moving...

WHAT
ARE YOU
GONNA DO?

THE MURDERER IS
RIGHT THERE, HE IS
TRYING TO GRAB
HIS SUIT!

枯萎的心靈攻擊

之其②

Killer Yoshikage Kira's
Killer Queen released from his
left hand, a tank shaped bomb.
Bomb No. 2

exploded! if
I was closer
to that body,
I will be blown
into pieces...
maybe Fatty....

**That is
a bomb
stand!**

唔

全

KOICHI!
Don't
chase him..

**THE
MURDERER
IS ESCAPING!**

嗯？

哇哇哇哇！

三

啊 哇
啊 啊
！ 啊

No.
it's not like
we don't chase
him, it's we
can't

because his
bomb stand must
still be somewhere
very close.

啊
?

Carefully
observe...
before
taking action.

Koichi.

If we chase him,
we might see his
face!

no?
don't
chase him?

why?

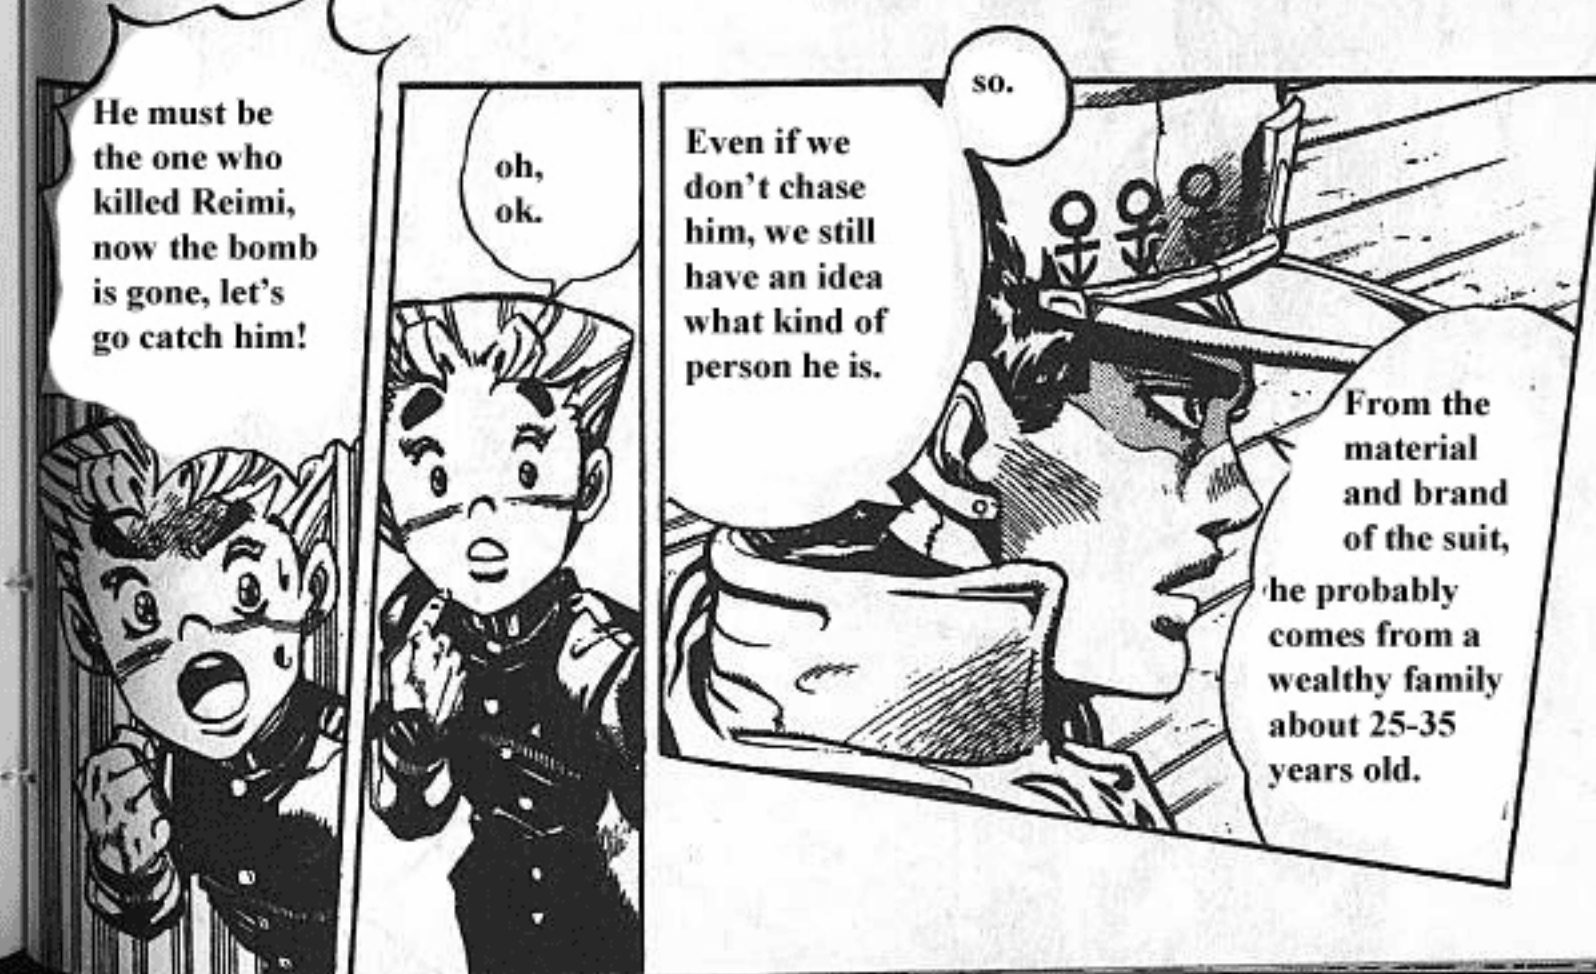

too bad
we didn't
get the name

that
suit.

But from the suit,
we can tell the killer
is about 175 cm tall
(5 ft 7 to 5 ft 8) probably
not married, so he needs
to take the suit here
for repair.

what
do you
mean?

He must be
the one who
killed Reimi,
now the bomb
is gone, let's
go catch him!

oh,
ok.

Even if we
don't chase
him, we still
have an idea
what kind of
person he is.

so.

From the
material and
brand of the
suit,
he probably
comes from a
wealthy family
about 25-35
years old.

is this
necessary?

he didn't even see the enemy, why is he so careful?
sounds to me like he's afraid of confronting the
enemy, the killer has already taken the only evidence
and we are still standing here doing nothing.
observe carefully is right but

My Echoes have
grown a lot, I am not
some stupid high
school freshman anymore
Does Jotaro still
think I am?

if he's
not here,
don't
you think
we look
very
stupid
waiting
here?

let's
slowly
back out
of the
door...

No, but
he should be
still in the
room

Have you
seen his
stand?

otherwise

if the killer is satisfied
with only taking out
the tailor, then he
won't be living happily
like he does now after
15 years of constant
murdering, he must
not leave us alive

if you haven't
seen anything
how do you
know it's still
here?!

but...

he must be
somewhere
watching or
waiting,
for a chance
to kill us.

So we need
to observe
very carefully
and don't do
anything
dumb

we will
be dead
in an instant

Look my way...

really. it's really here!

If it touches me, I will explode!

Look my way...

If it touches me, I will explode!

really. it's really here!

**If it
touches
me, I will
explode!**

[illegible]

喂

哎呀呀！

THANK YOU
FOR SAVING
ME JOTARO,
BUT IF YOU
TOUCH IT, IT
WILL EXPLODE!

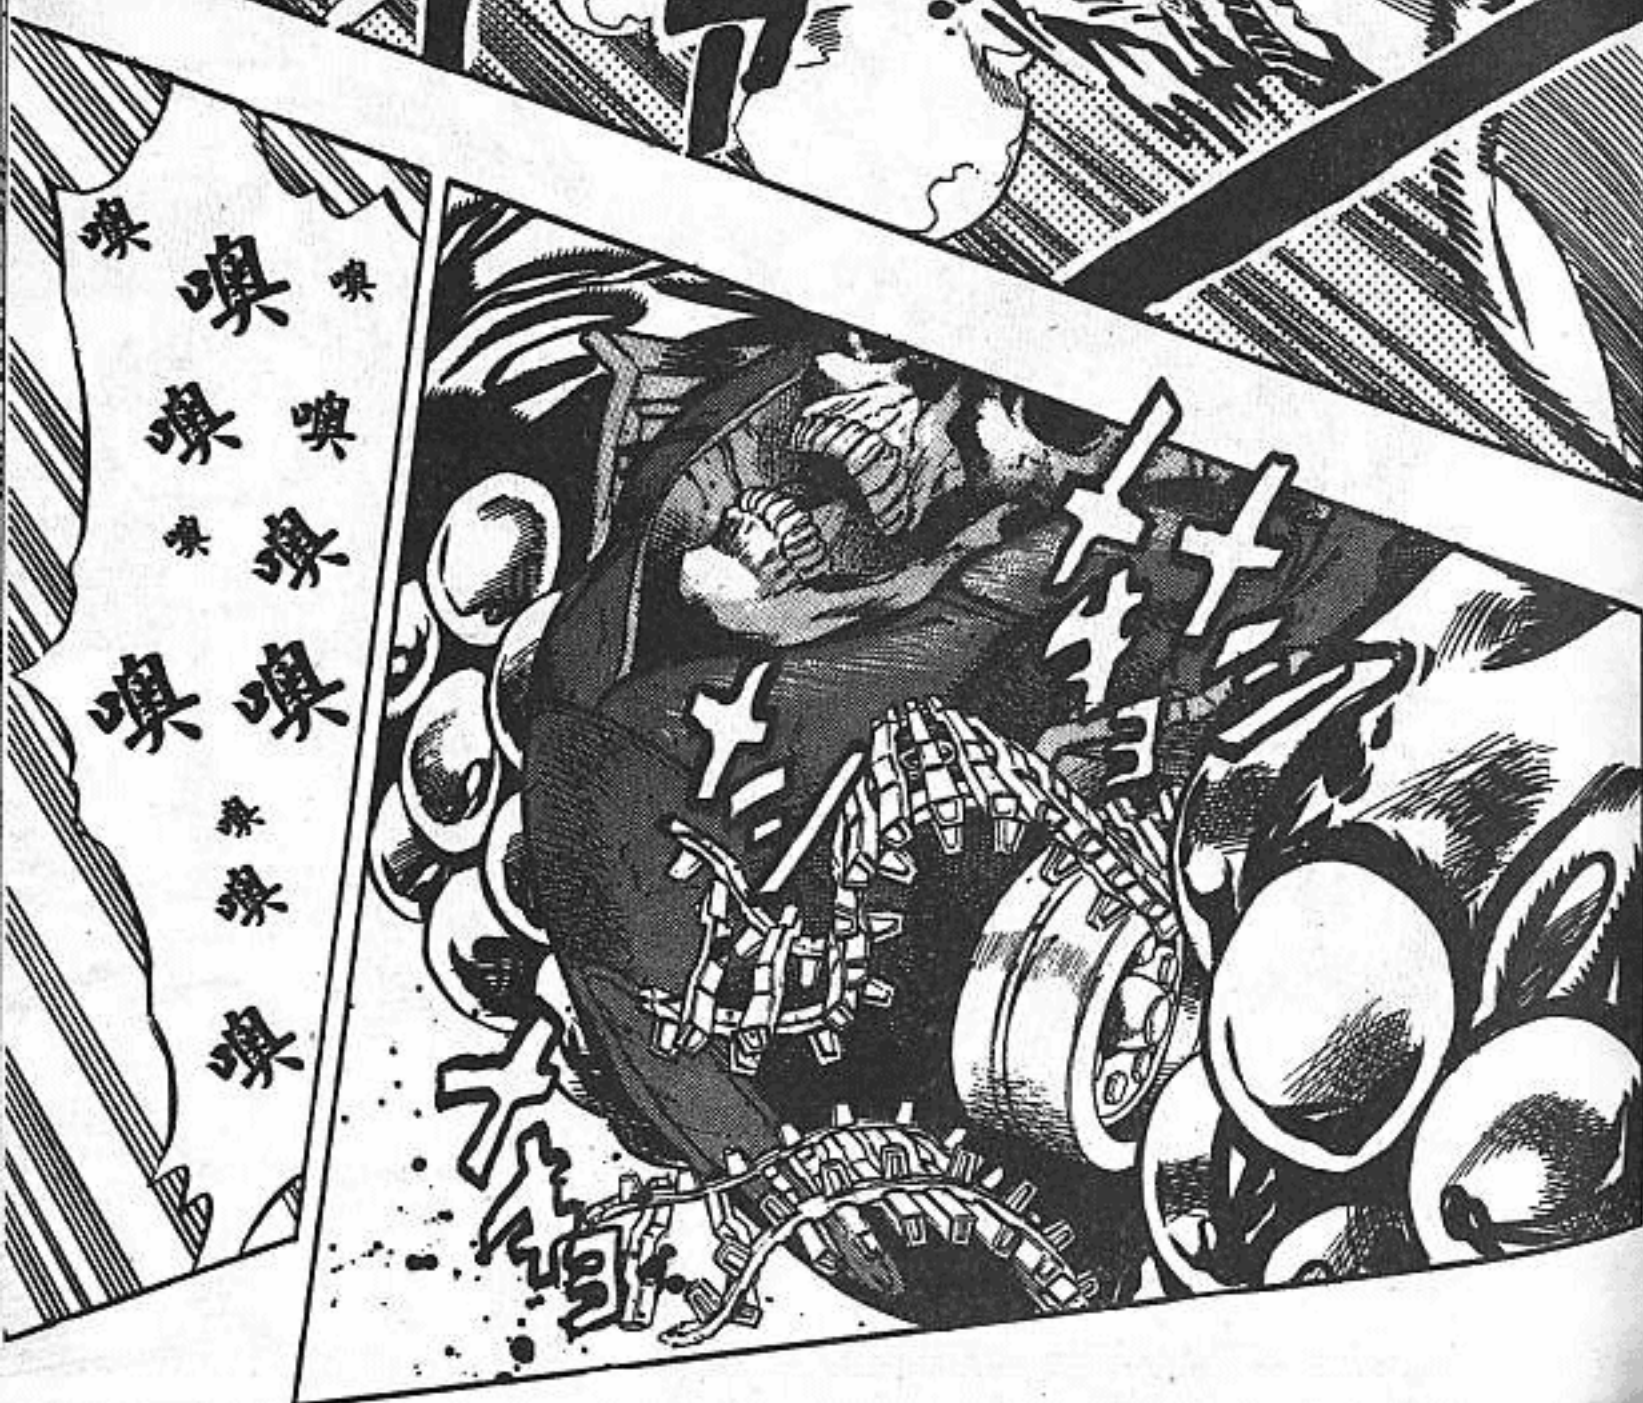

good....

hm....

completely
unscathed
after my
direct attack.

噢啦噢啦噢啦
噢啦噢啦噢啦
噢啦噢啦噢啦

WHAT ARE YOU
DOING!? YOU
CAN'T TOUCH IT!
IT WILL EXPLODE!!

you better use your Echoes to protect yourself

Don't worry about other things

I told you earlier

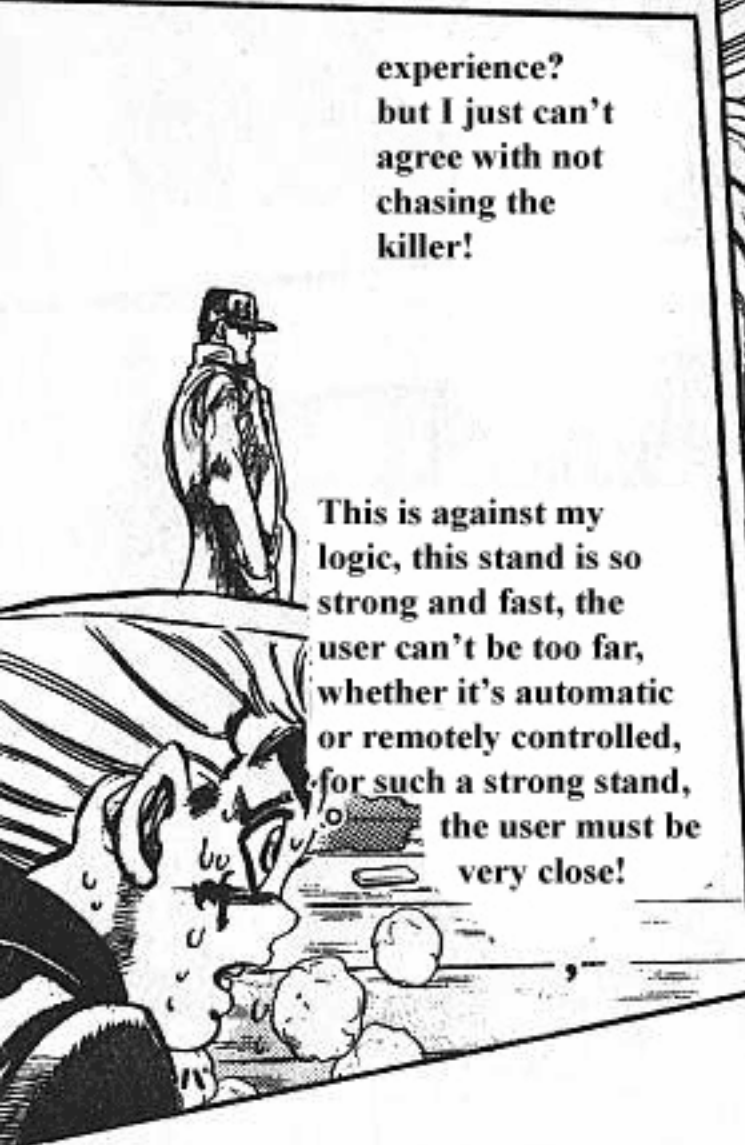

do not try to catch the killer.

NO, This is not a remotely controlled stand. the real body has already left the vicinity.

WHY?

THE ONLY WAY TO DEFEAT THAT BOMB STAND IS TO DEFEAT ITS USER!

experience? but I just can't agree with not chasing the killer!

This is against my logic, this stand is so strong and fast, the user can't be too far, whether it's automatic or remotely controlled, for such a strong stand, the user must be very close!

I've fought a lot of stands, experience tells me remotely controlled stands usually have complex functions or different attack patterns, but this one, its attack is very simple and direct!

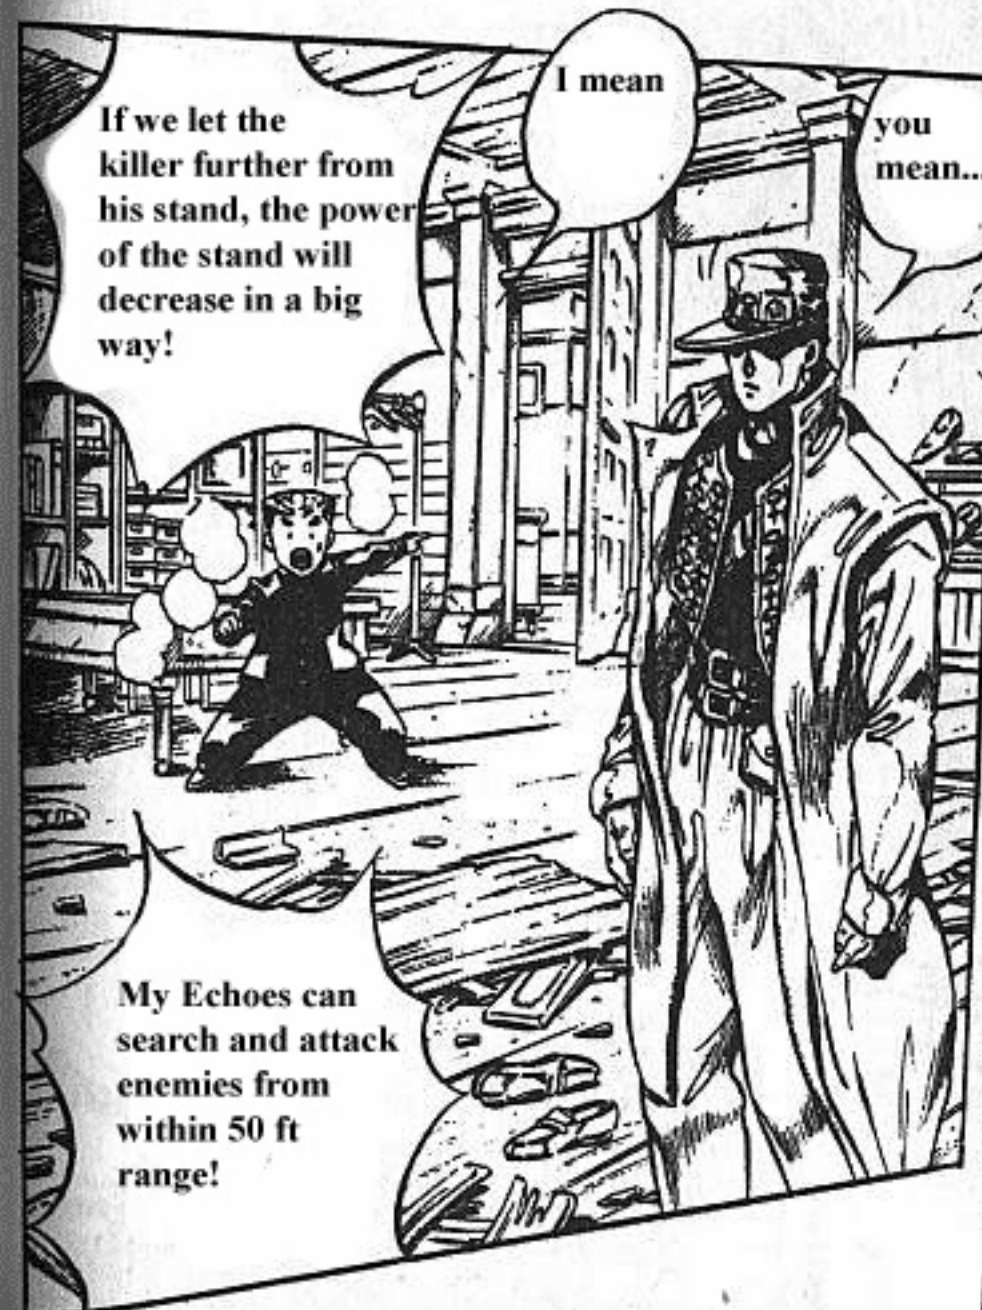

ANOTHER WORD, THE KILLER MUST BE WITHIN 10 FT RANGE FROM US!

A stand user must be really close to its remote controlled stand to make his stand powerful

I have an idea!

Based on the power and speed of this stand, the killer must be very close to us!

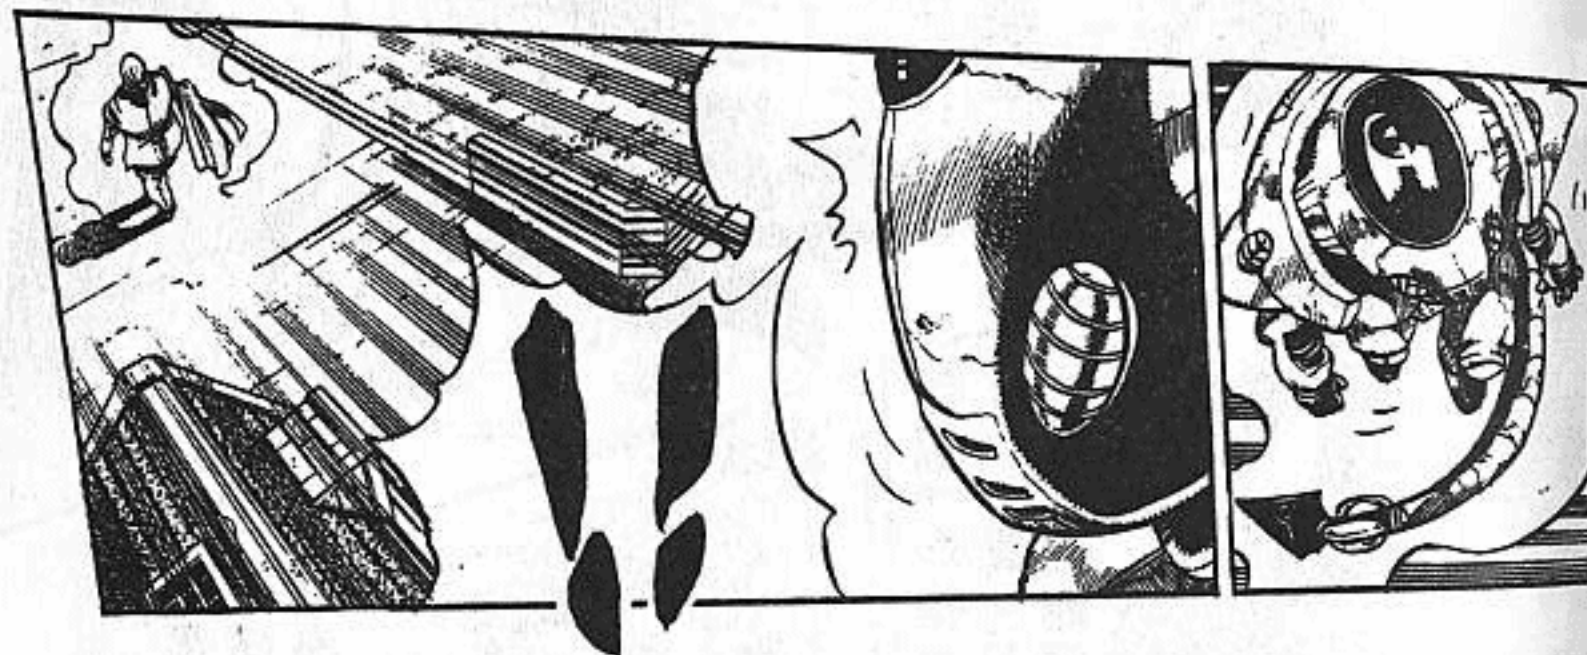

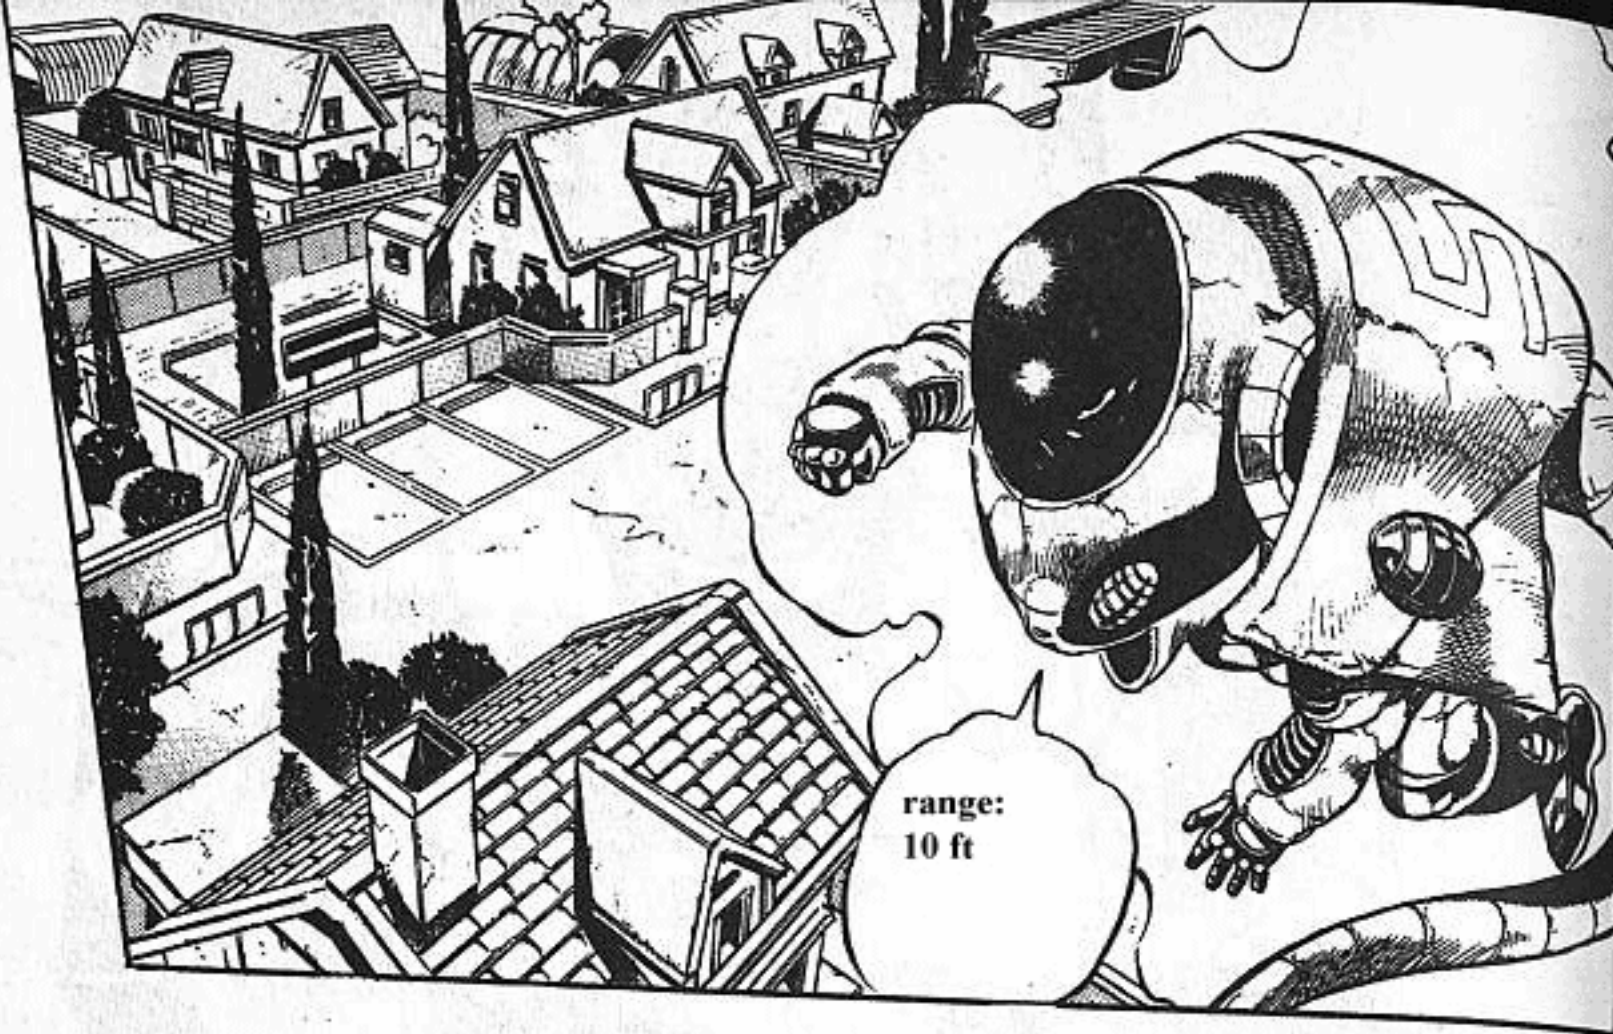

If we let the killer further from his stand, the power of the stand will decrease in a big way!

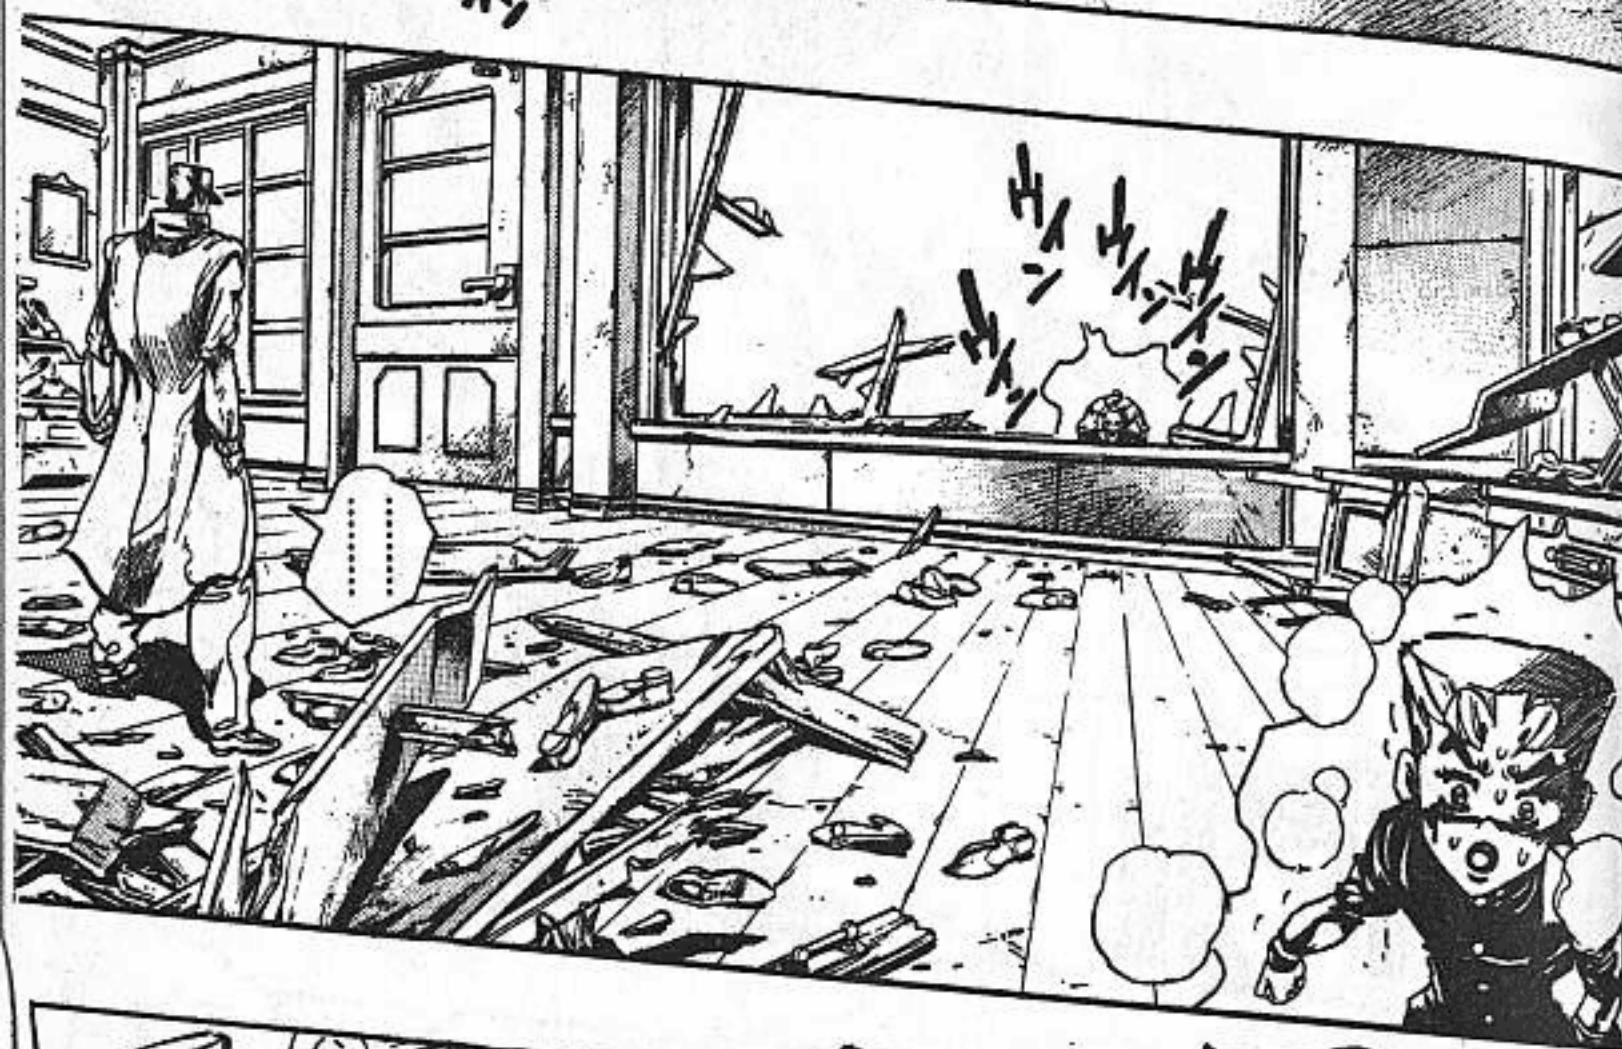

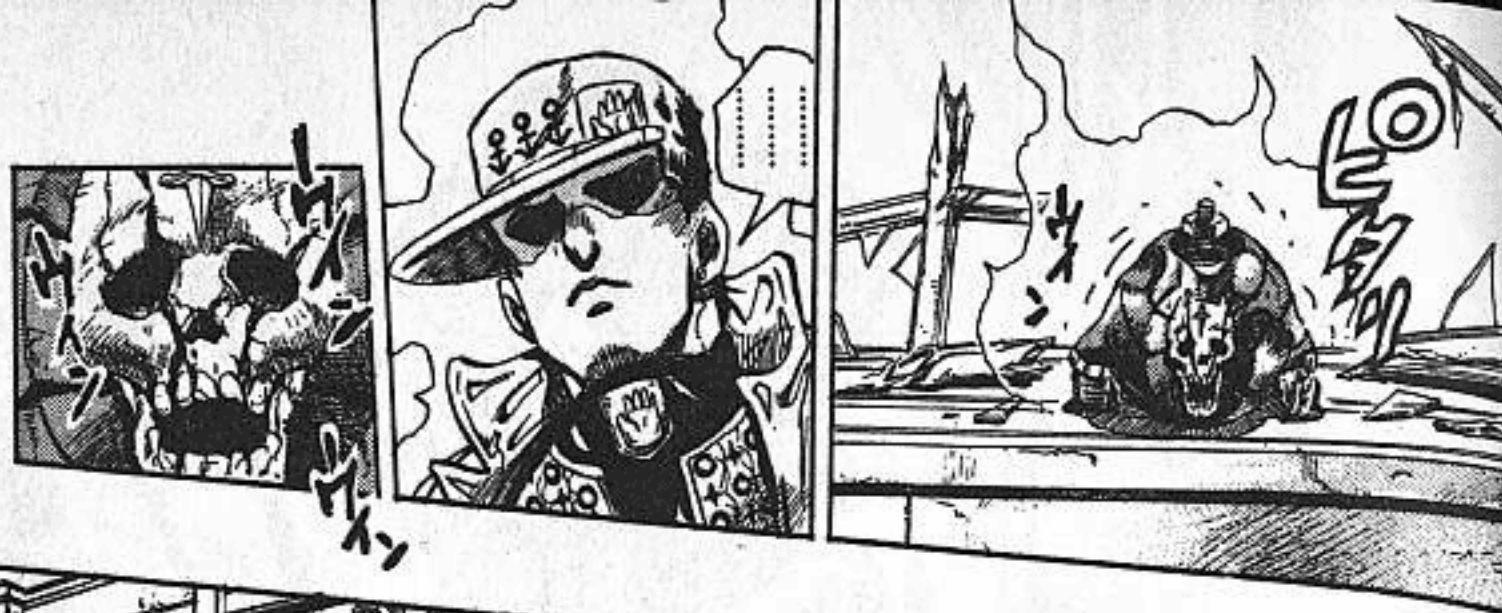

I mean

you mean...

My Echoes can search and attack enemies from within 50 ft range!

FOUND HIM!

IT'S HIM!
HE STILL HAS
THAT
SUIT WITH HIM!

THAT BOMB
STAND IS REALLY
A LONG DISTANCE
AUTOMATIC
CONTROLLED
STAND?!

HOW CAN IT
BE POSSIBLE?
SO FAR AWAY AND
SO POWERFUL!?

BUT, STRANGE
SO FAR
AWAY.

HE IS MORE THAN
50 FEET AWAY
FROM US, HE'S
ALREADY OUTSIDE
MY RANGE!

Damn!

USE YOUR
ECHO ACT
TO PROTECT
YOURSELF!

fucked...

MY ECHO
ACT IS
TRYING TO
FIND THE
KILLER, HE IS
OVER 50 FEET
AWAY FROM
US! SORRY!

I CAN'T
MAKE IT!

What's wrong?
hurry up and
use Echoes to
protect yourself!!

even if I
stop time,
it's still
too far
from me!

WHAT'S
HAPPENING?!

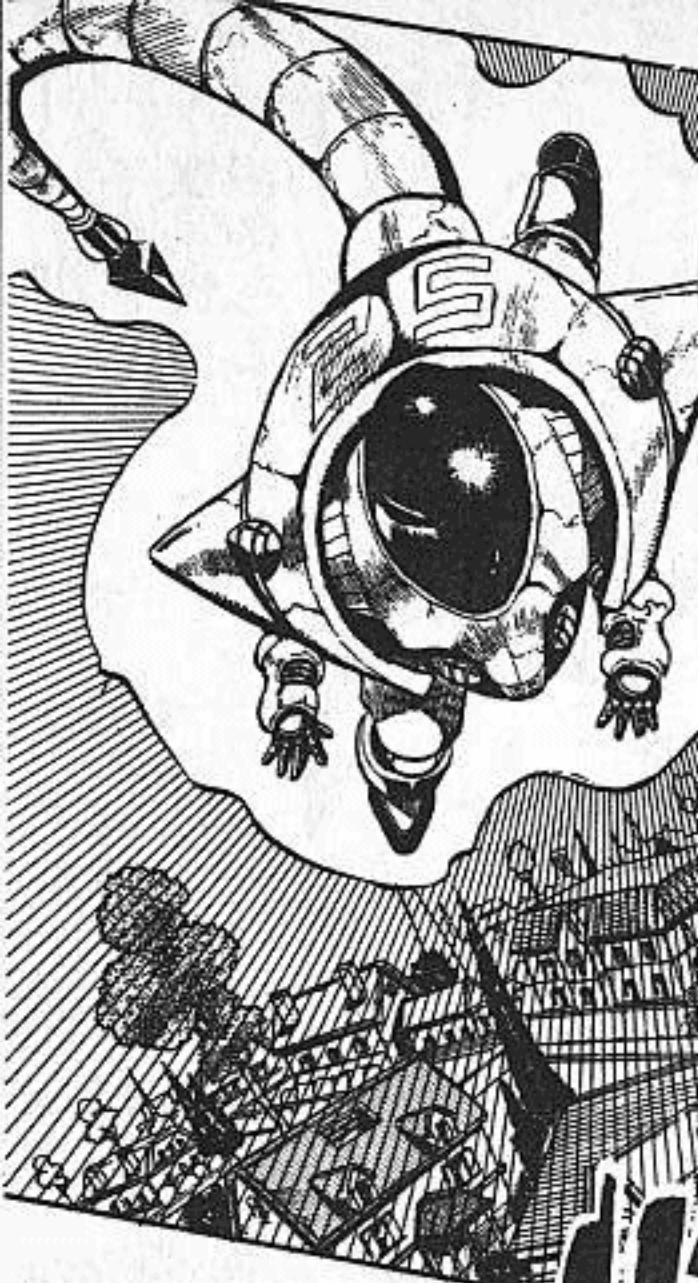

WHY DID IT
CHANGE
DIRECTION AND
ATTACK ME?!

啊!
啊!

OK,
I get it.

This is a stand that's like a
snake, it can detect body heat
of its victims and automatically
track them down, its movements
speed and power has nothing
to do with the consciousness of
the wielder!

its movements
are automatic
doesn't matter
how far the user
has gone from his
stand, its attack
will never stop!

Jotaro told me
not to go after the
real body of the
stand, the murderer
but...

IT'S A KIND OF
AUTOMATIC STAND
THAT WILL ATTACK
BASED ON THE
SURROUNDING
TEMPERATURE!

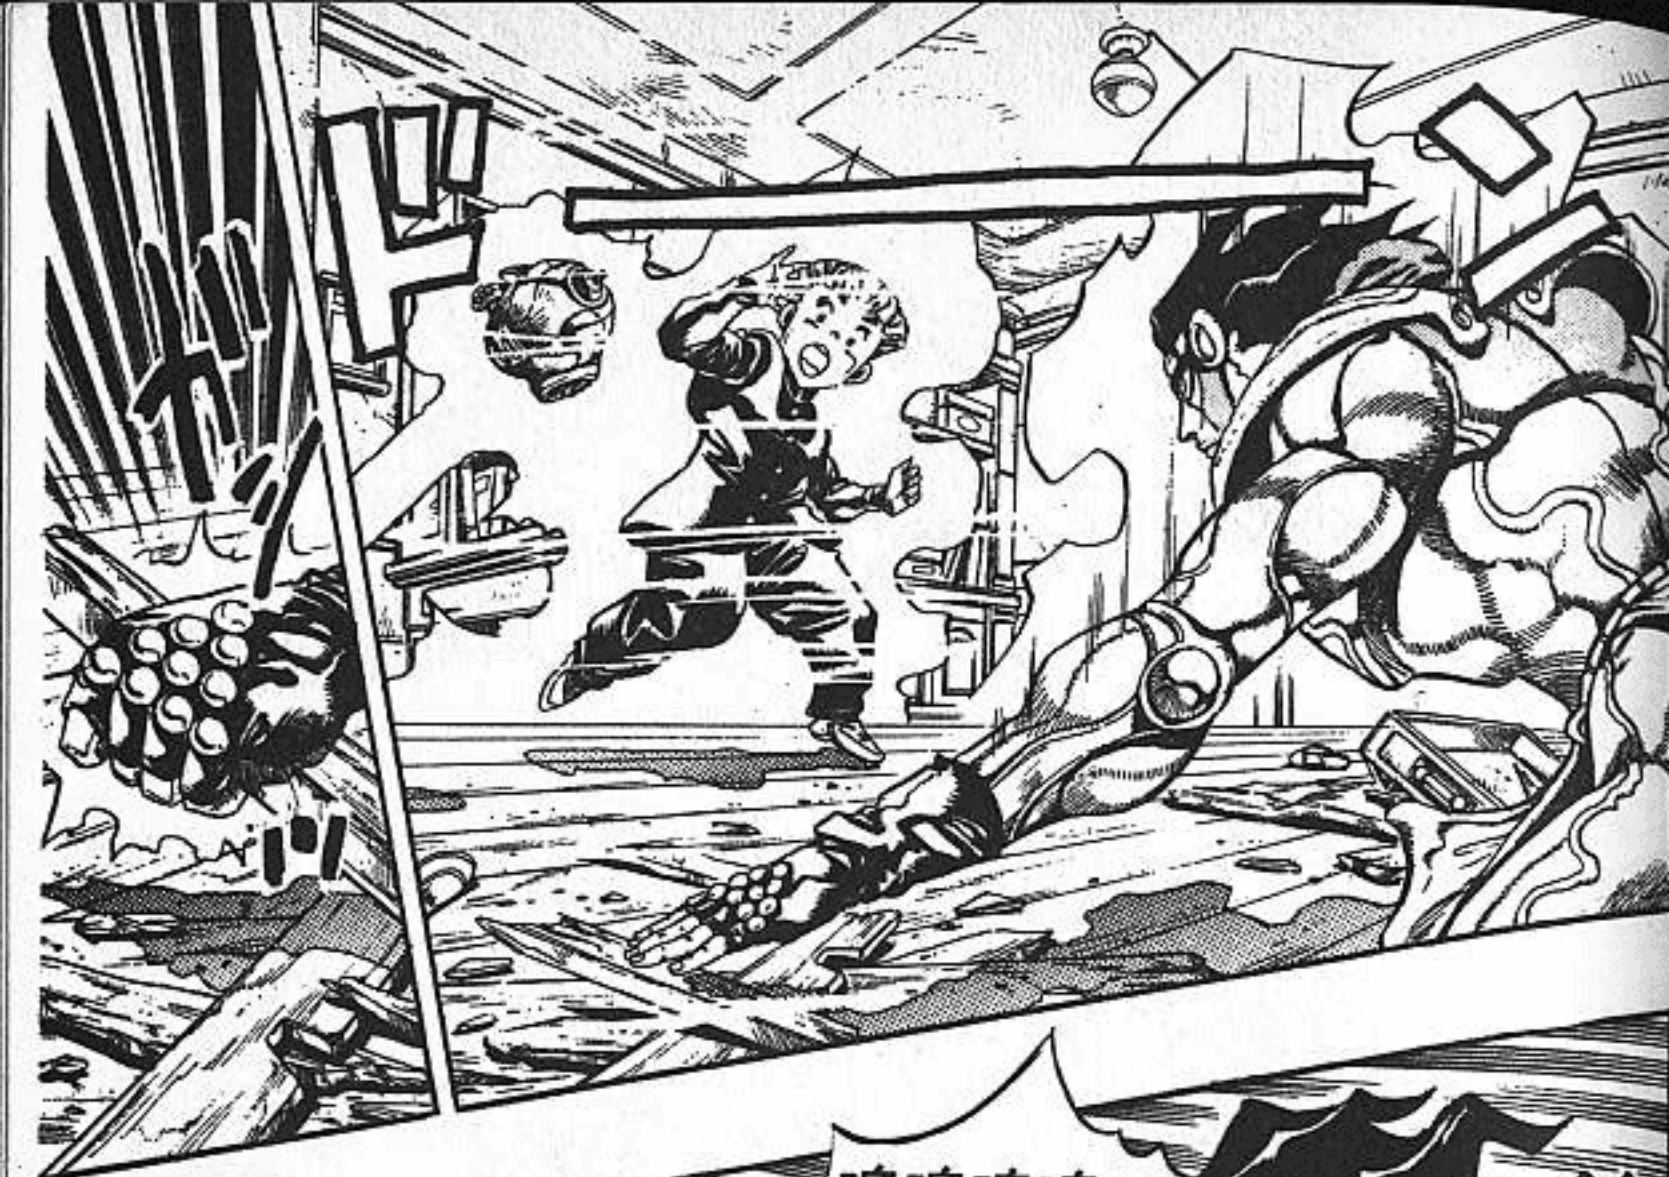

But I thought
Jotaro was trying
to educate me to
make himself
feel smart, I even
thought I was
smart to have
decided to pursue
the killer, after all
I am the most
stupid retard!

FROM HIS
ABILITY AND
POWER

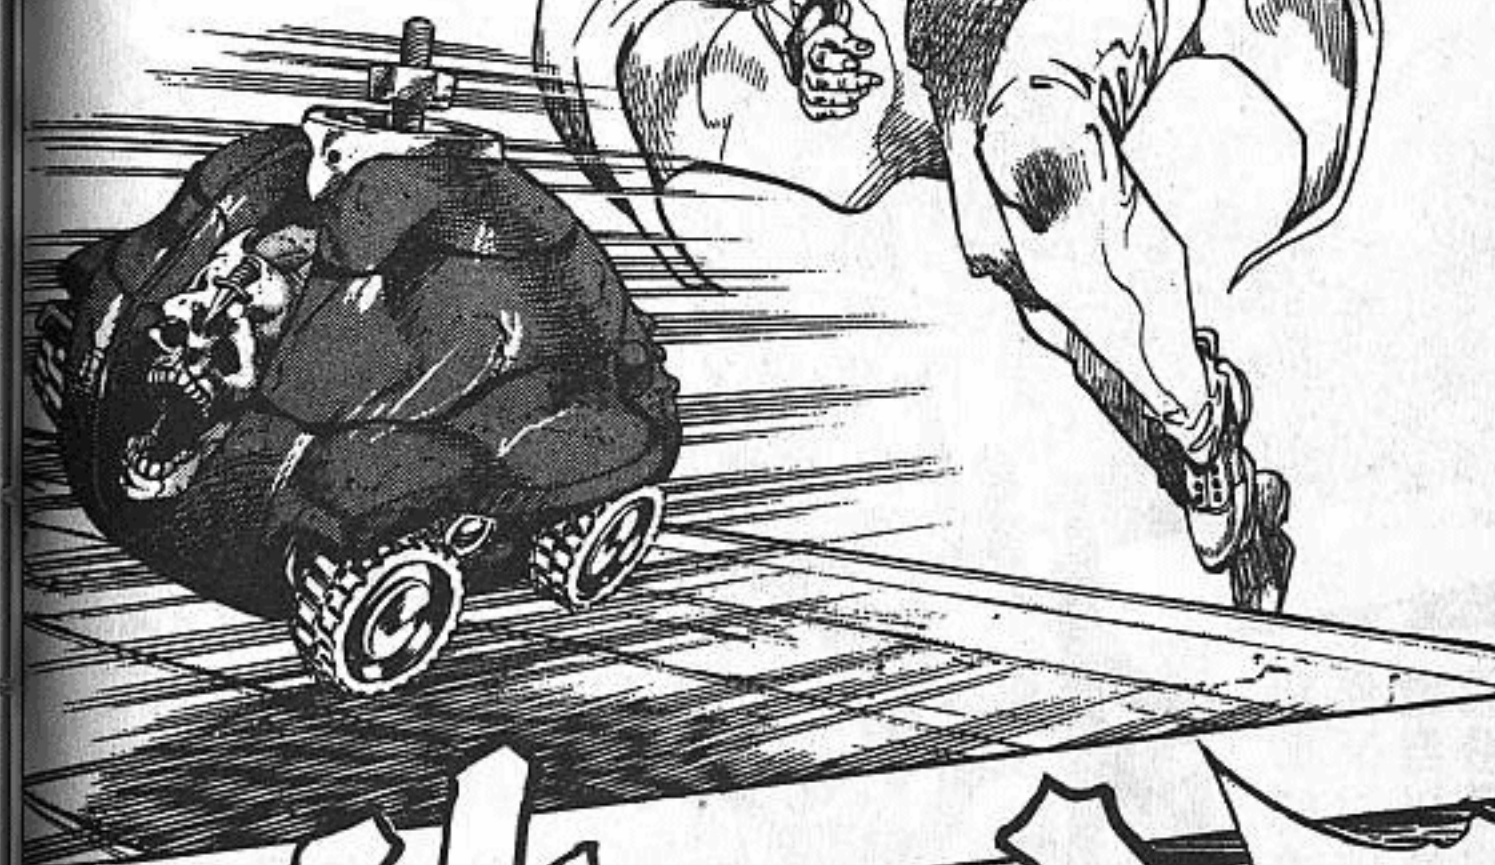

枯萎的心靈攻擊
之其④

After that, I was unscathed,
not hurt at all,
because I was unhurt,
I felt even more bitterness
for my stupidity.

But what
made me
regret is
what
happened
after that

Its exploding
power will
be hundreds

higher than
that of human

I can think

it will attack
objects with high
temperature

as we
thought

哇啊！
哇啊！

**IT WAS
A HUMAN,
Look my way...**

ITS POWER
IS JUST
TOO GREAT!

IT WANTS
TO MAKE
SURE WE
ARE DEAD

I should have
listened to Jotaro,
I should have
treated Jotaro
as a teacher!

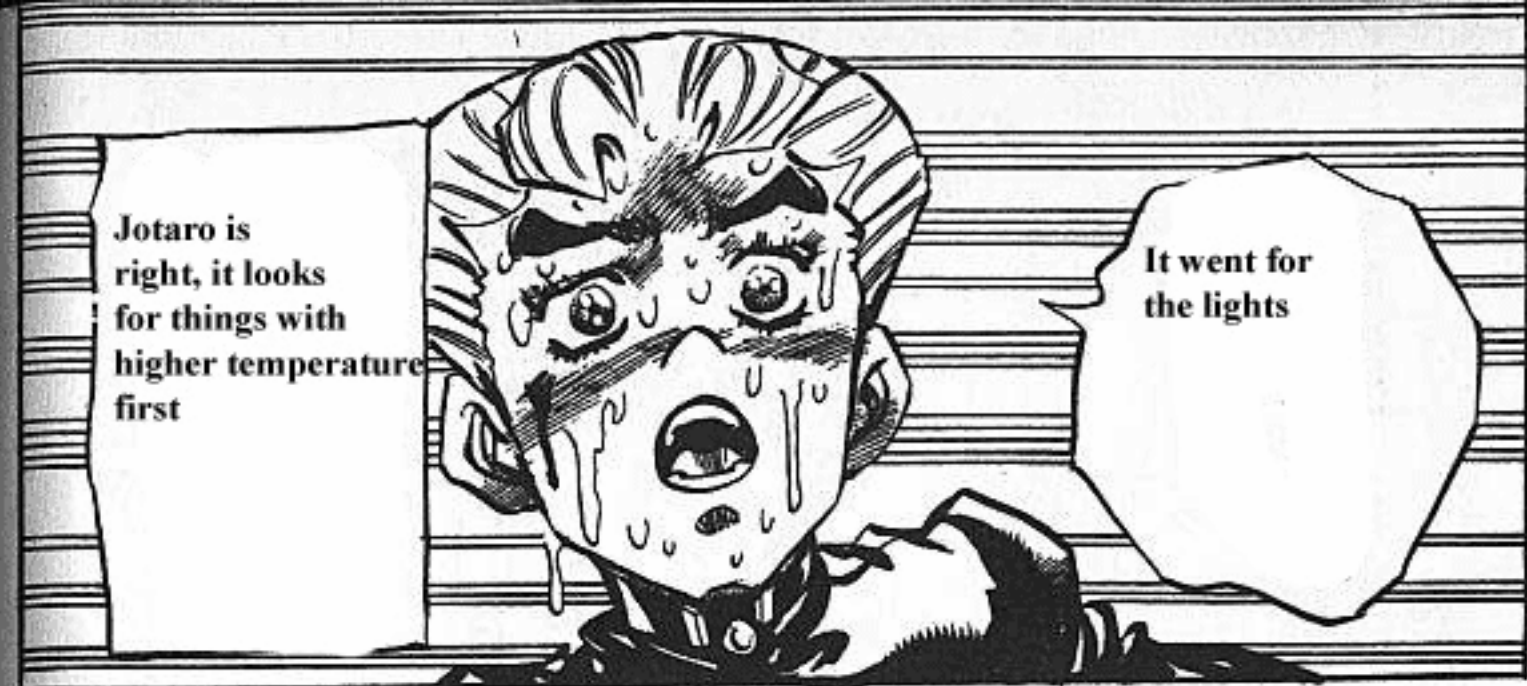

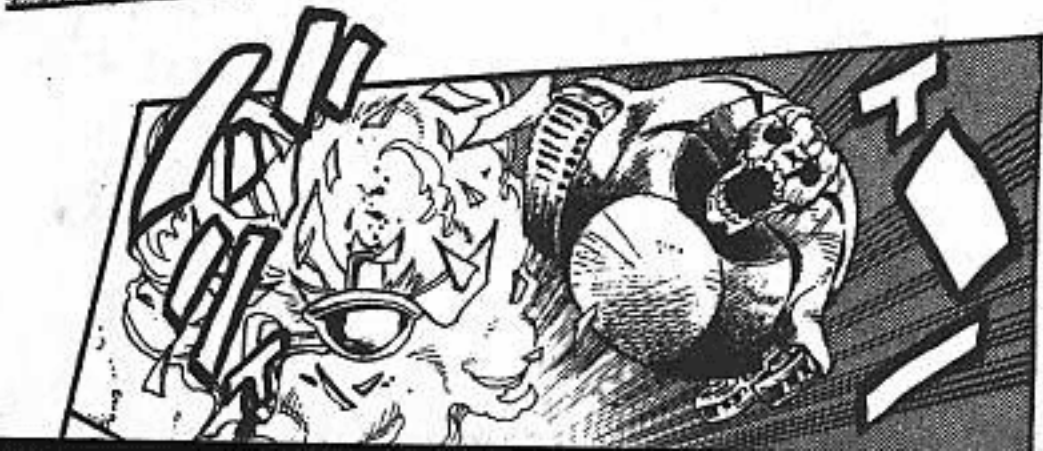

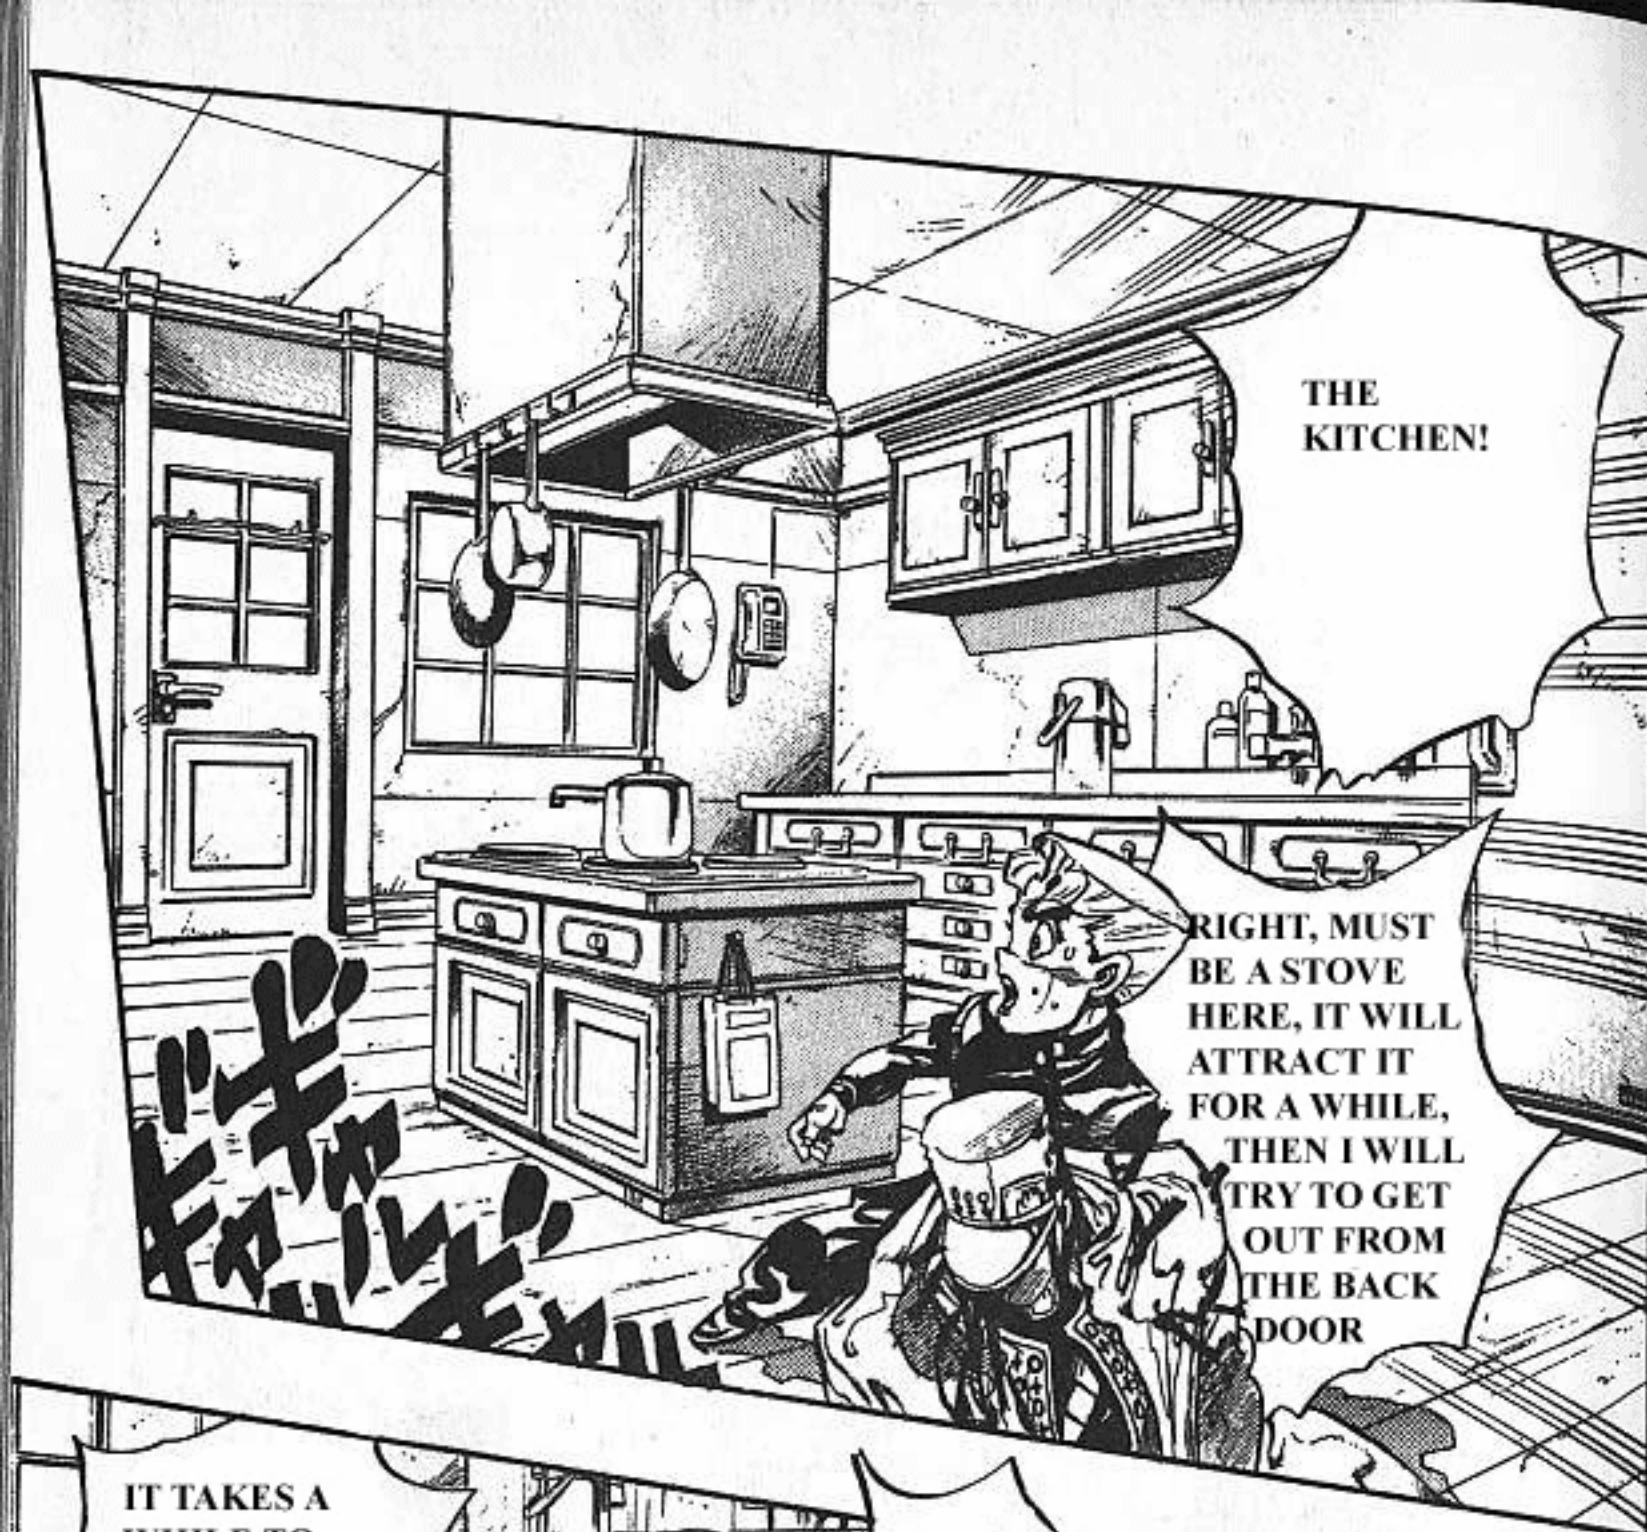

JOTARO!
WAKE UP!

it's all because
I went to find the
killer!

YOU SAVED
ME BY
MAKING FIRE
IN TIMESTOP

because time

water!

that guy
just drank
some hot
coffee, there
must be some
hot water
here

I am really
pissed right now,
why do I have to
be sorry and desperate
for that killer!

MUST
HAVE A
WEAKNESS

I've already
found one!

Those two guys
should have already
been taken care
of, and Bomb No.2
should have been
back long ago...

Why is
it so slow?

can't go
back, too
risky...

Can't panic
gotta do what
Jotaro said,
observe
carefully before
taking action...

THIS
GUY...

Why do I have to
be so desperate
all because of a crazy
killer?! I even have
to pray to the gods
and ask for mercy!

I am really
mad this
time!

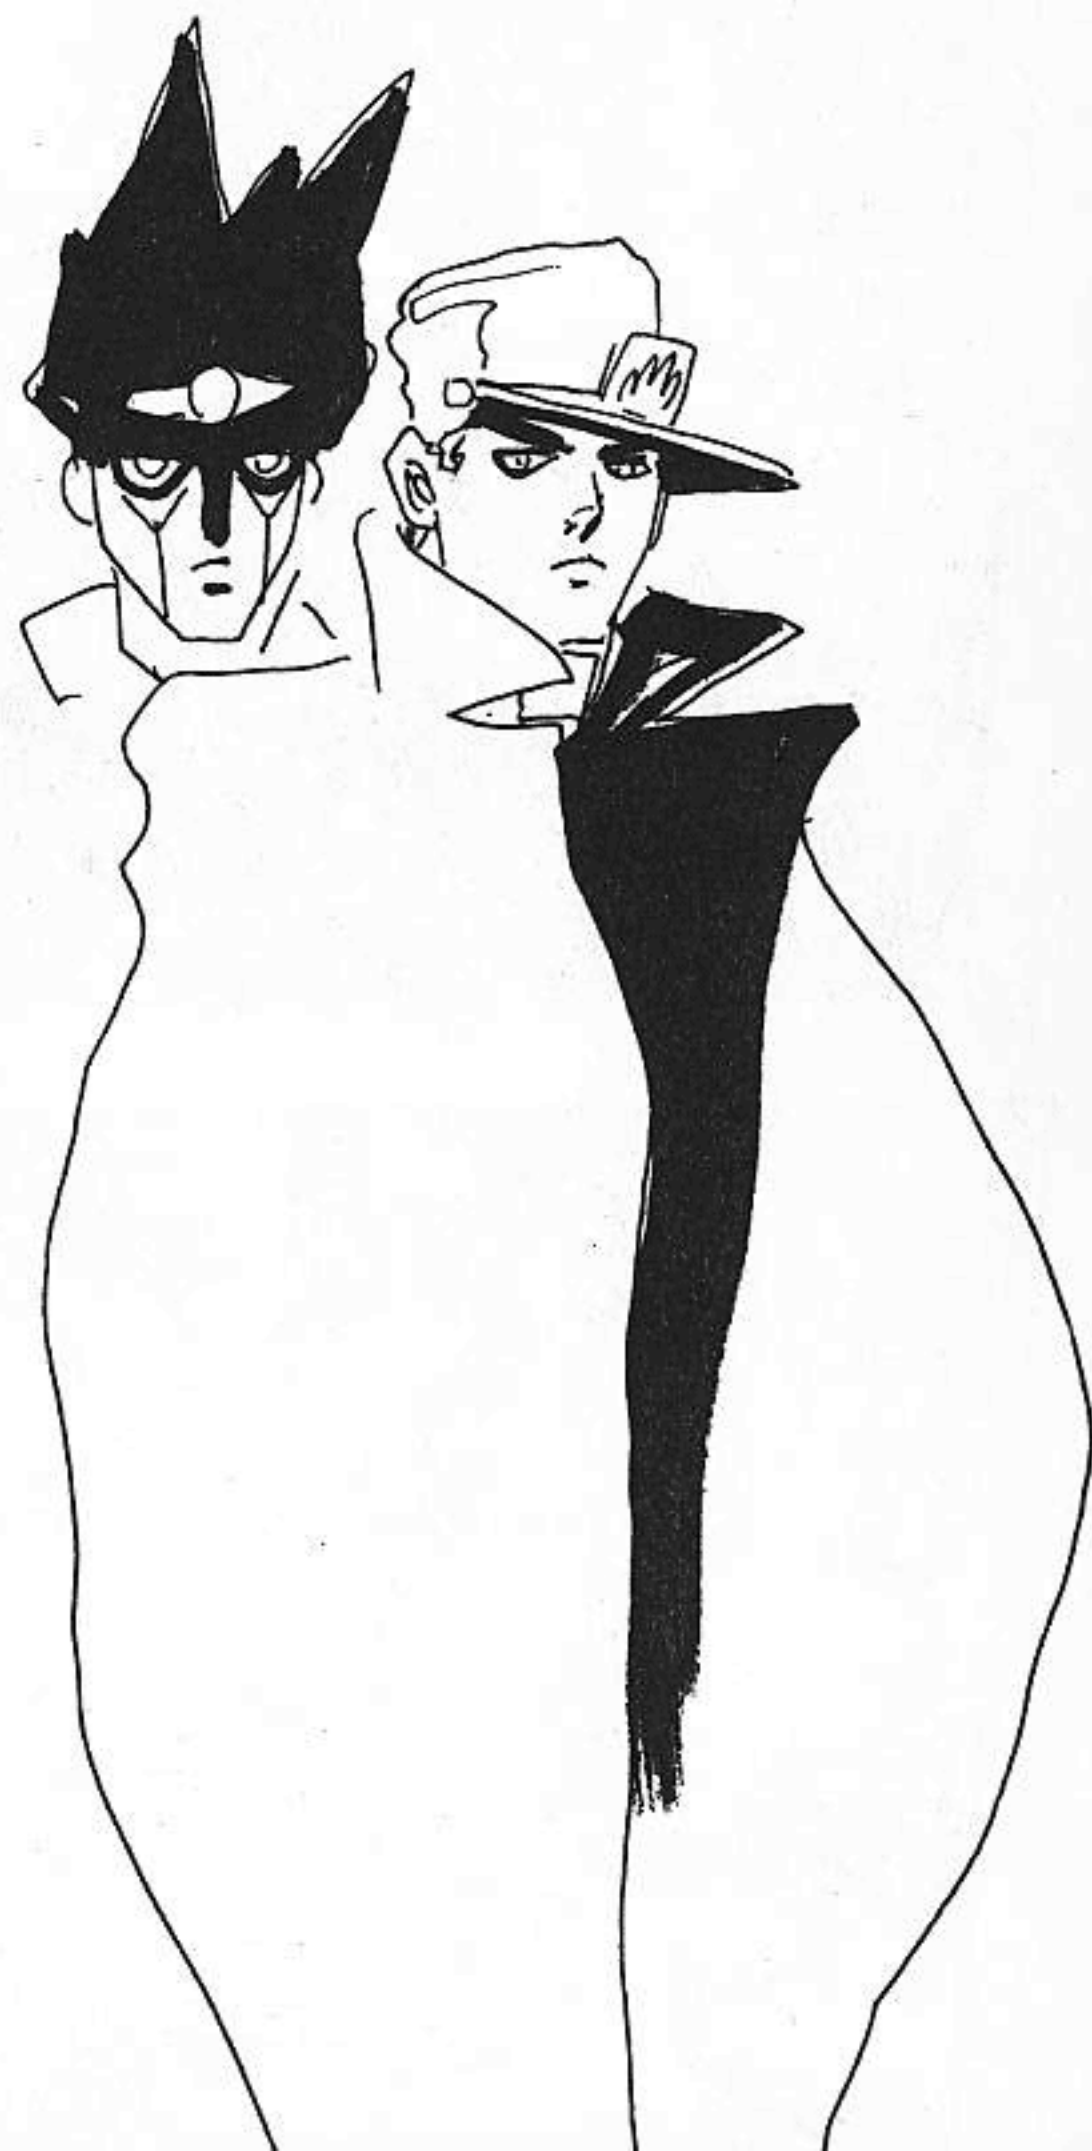

Why would
this happen?!

Would I really have
to pray to the gods
that if I survive this
I would rather get
diarrhea and look
for public toilet all
over town?!

things
shouldn't
go this way!

Should be
the other
way around!

枯萎的心靈攻擊 之其⑤

this is
its weakness!

but...

If it catches my
body temperature,
then it will turn
to attack me...

THAT KILLER
SHOULD BE THE
ONE RUNNING
AROUND ASKING
FOR MERCY!!

NOT US BUT
THE KILLERS!!

Josuke
should have
been home
by now...

when I get
a chance, I
need to ask
Josuke for
help

now...

it's
been 3
minutes...

never give up
is its weakness!!!

Bomb No.
2 doesn't have
a weak side,
it has no
weaknesses

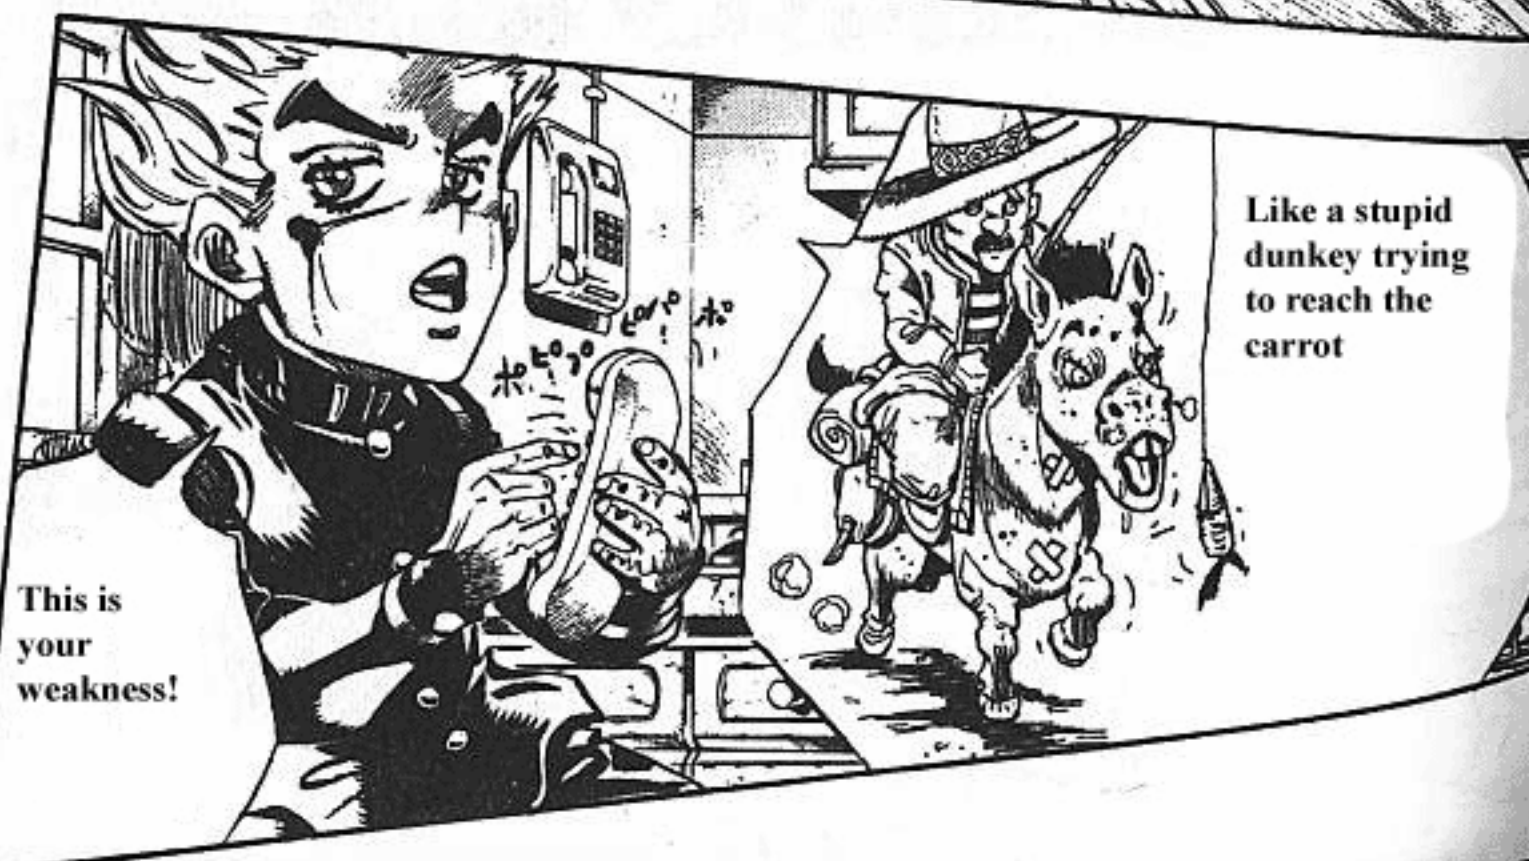

it will take
care of the
target it locked
on!

but I trust
bomb No.
2 will take
care of it.

I wonder
what
happened
at the shoe
store...

this way, it
will abort
attacking
us!

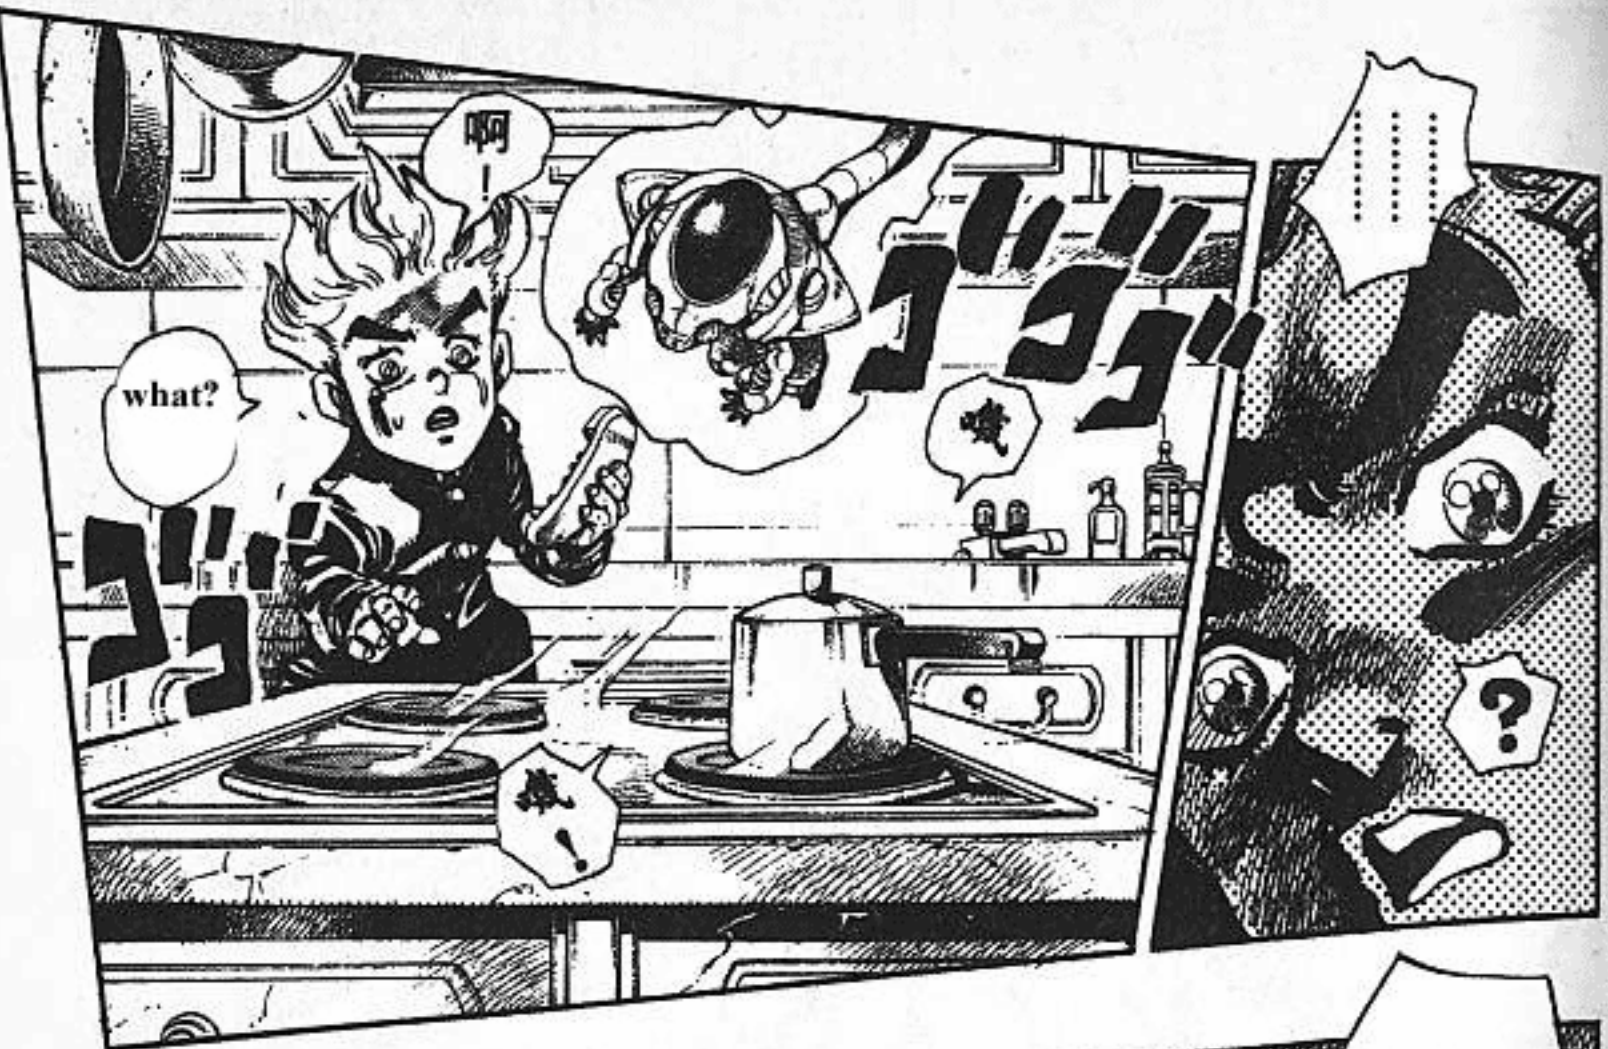

you will be like
a dumbass
following that
"heat" forever!

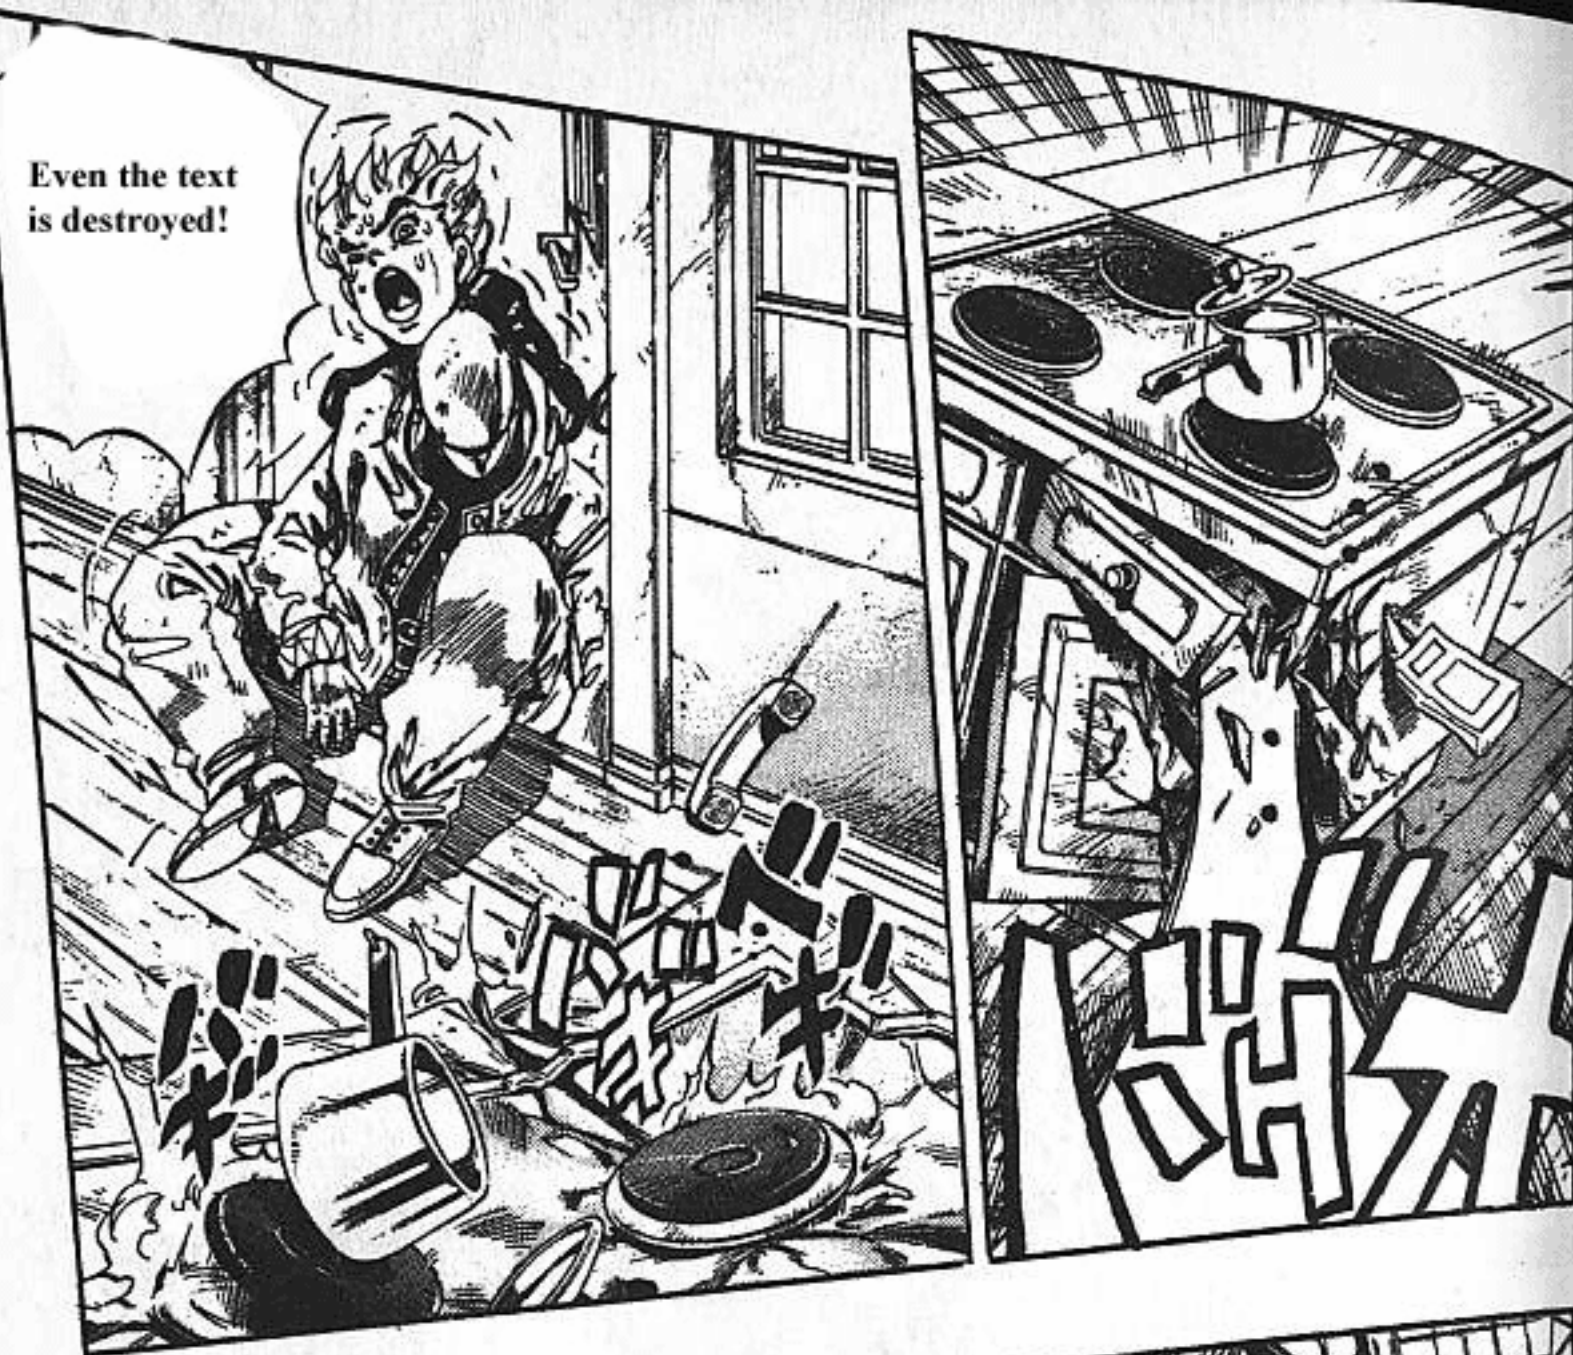

This is
your
weakness!

Like a stupid
dunkey trying
to reach the
carrot

Even the text
